The Principal's Report

Well, what a year 2020 has been! Who could have foreseen that we would be here at the end of the year with a pandemic still affecting many parts of the world, having lived through two lockdowns and for us to have faced the many challenges that have been thrown at us. I am immensely proud of our whole school community and how we have risen to these challenges together.

2020 marks my 5th year at Māngere College and I love my job now just as much as when I started - probably even more so. The students and staff at this school work hard to improve what we do each day and have a strong bond with each other, what we call the MC Family, and I am humbled to be a part of this family.

Our school strengths of support and kindness have been highlighted this year more than ever and brought us through some tough times but also brought us closer together.

I am more excited about the future for Māngere College now than ever before - to be able to build on these strengths and prepare our students for their futures.

COVID and lockdowns have taught us many things and have magnified differences and highlighted inequalities in our communities but they have also created opportunities.

The arrival of laptops from the Ministry gave us the ability to provide all of our senior students with a device at home and have set us up with a base to work on in the future - to ensure all our students have access to online learning at home in this digital era.

We have seen the advantage of online learning but returning to school after lockdown also highlighted the connections that we all thrive on. Coming back together

gave us an appreciation of our students' need to be connected to each other and their teachers.

It was the focus and sense of urgency that our students had when they returned to school that really impressed me and their resilience shone through this year.

Our Wellbeing focus and our work with the Toko collaboration has gained more relevance and importance this year. We know that students' well-being is taken care of when they have a strong sense of their own identity, language and culture. When they can connect strongly with other people and important places and when they feel a control over their education and feel equipped with the skills to succeed. These are things that we focus on at Māngere College this year more than ever.

We have continued to work closely with local schools in our Community of Learning - the Māngere Kahui Ako. The goals of our Kahui Ako align strongly with what we want for our students: to be digitally competent and equipped to face the future, to have a strong sense of their own education pathway and a feeling of control over their destiny

and to be strong in their own well-being.

Our future is exciting with a 50th Jubilee to celebrate next year and significant property development to plan for. But we are not waiting for new buildings to make changes. This year we have started with a curriculum review to ensure that our curriculum is engaging and relevant for our students. We have focussed on improving our mentoring and guidance of students to support them to reach their goals and on monitoring their progress more closely with the use of up to date data.

The housing developments in the area point to the growth we will see in the school over the next few years and we have started talks with the Ministry about property developments. Our challenge as we move forward is to keep our strong values and connections as we grow and change.

The strength of Māngere College is in its people - staff, students and our community.

*Kei te tika te korero
He aha te mea nui o te ao?
He tangata! He tangata! He tangata!*

'The strength of Māngere College is in its people - staff, students and our community.'

Haere mai to new staff

TARSHA ALLAN-POKO

Tarsha started working at MC in term 1 as our MASSISS Social Worker. Previous to working at our school, she was the social worker for Otahuhu College.

Tarsha tells us, "I can be cool and I can be mean, but I am fair. I call it how I see it and I'm always down for a feed."

She is finding working at MC interesting. Thanks for joining us Tarsha!

KYLIE FRANKLIN

Kylie had an interesting start to her job, joining at Alert Level 2 as the new Receptionist. She has returned to the workforce after being a stay-at-home mum to her 2 young children.

Kylie loves being the first point of contact for all the lovely families that come in and she is enjoying the supportive staff. She likes the outdoors, sports and F45.

LEVI MANHIRE

Levi started at MC in term 1 as a Health and PE teacher. Previous to working here, he was teaching in Porirua. Levi enjoys playing Rugby League, Rugby and Volleyball. He also enjoys spending time with his daughter. Levi is finding the students and staff really welcoming, and a highlight is scoring 2 tries in the 1st XV vs Teachers rugby game.

SARITA NARAYAN

We welcome Sarita as our new Laboratory Technician at MC this year. She worked previously in a commercial laboratory, SGS NZ Ltd, for 30 years. She has also been employed by the Ministry of Agriculture and Fisheries. Although Sarita started in Term 3, she is enjoying the staff and students and her science team. When not in school, Sarita likes to travel, garden

TANE TEINA

Tane Teina is our new Kuki Airani Language Teacher. He was previously working as a contractor in the building industry. Tane Teina enjoys being a grandad and spending time with his wife and family. He is loving his time at MC and connecting with the students and seeing his language and culture still alive at MC.

JOSE TORRES

Jose joined us this year as a Social Studies/History Teacher. He was previously teaching at Riccarton High School in Christchurch. Jose is an avid skier and also plays soccer and table tennis. He is finding his time at MC really enjoyable with the strong staff family and the students have made him feel really welcome here.

LĀLĀOSALAFAI TU'UA

Lālāosalafai has joined us as a Samoan and Careers teacher. Previous to coming to MC, he was teaching at De La Salle College. He is enjoying getting to know staff and students here at MC. In his spare time he does triathlons, ocean swims, exercising with his kids and doing the gardening.

MISATO WATANABE FRANCE

This year Misato was our volunteer for the uniform shop. She has enjoyed interacting with the students in the shop and staff also. Misato has been in NZ for 1 year, previously living in Thailand and she was born in Japan. Misato will work with Learning Support next year as a Teacher Aide .

ZHAO XIANG

Zhao started in term 1 as our new Mandarin teacher. He was previously working at Elim Christian College. Zhao loves music, reading and gardening. He is enjoying the students here at MC and loves their energy.

WELCOME TO NEW DP JONATHAN HARDY

This year we welcomed our new Deputy Principal Jonathan Hardy.

The school held a powhiri for Jonathan in which students from his previous school Kaipara College came to tautoko him.

Jonathan was previously the Associate Principal at Kaipara College in Helensville between 2014 and 2020.

Jonathan's beginnings at Māngere College have been a little different than usual. After only 2 days we went into Level 3 lockdown. He is getting to meet everyone and learn the ways of Māngere College. Jonathan has been impressed with how friendly, polite and supportive everyone has been in the past few months he has worked at Māngere College.

Jonathan loves sports, particularly football, league, rugby, cricket, and he plays golf regularly. Jonathan's real passion is travelling and experiencing new cultures, visiting temples, going on treks, trying new activities like scuba diving, hang gliding and canyoning.

Ka kite anō au i a koutou

This year we said goodbye to our Deputy Principal, Keir Whipp, as he started his new position at Botany Downs Secondary College.

Keir began at Māngere College in 2017 as he intended to go on giving his best for the school community. During lockdown you could see him in the background of TV clips working up to the last minute sorting out devices and workbooks for students. His calm, thoughtful and highly supportive leadership will be truly missed both by students and staff. Keir was a rare person who is ever cheerful and looking to improve in everything he does. He crafted the complex arrangements needed for the whole school always putting students and staff before his own needs. We look forward to this link with Botany College and to sharing these ideas and connections for our students.

DEBRA PENE

Debra Pene has left Māngere College after 12 years as the STAR and GATEWAY co-ordinator. She gave students the opportunity to gain workplace experience while also achieving credits from on-the-job learning.

Many students benefited from her encouragement and care as they completed their work placement, gained first aid certificates, forklift licences, confidence in the workplace, knowledge of their future career choices and motivation.

Debra Pene also managed the students doing courses at Manukau Institute of Technology. The opportunities for the students increased because of her drive to get the best for them. Many of our senior students were able to attend MIT and build an understanding

of trades courses while getting a boost towards completing NCEA level 2 or 3.

She was Year 13 Dean for 5 years and was able to use her skills to build and support very effective student leader teams.

Students and staff have appreciated Mrs Pene's professional and realistic approach. Whether it was teaching Career Development, arranging a Careers Expo, supporting students who needed CV's or knowledge of their career pathways, everything Mrs Pene did was to advance student's confidence, achievement and choices.

She has moved into a job where she will continue to use her energy and skills to support help create career pathways for young people.

We wish her well in this endeavor and for her future.

LEMOA HENRY SEVESI FESULUA'I

In Term 1 we sadly said farewell to Mr Fesulua'i. Unfortunately due to the Covid Lockdown we were unable to farewell him properly at the time but we had a staff farewell in June. It was a beautiful celebration with sharing of gifts, ie toga from Lemoa's aiga, speeches and some dancing.

Lemoa had been teaching for almost one year when he joined the Māngere College staff in 2009. His teaching subjects are Gagana Samoa and English. Throughout his time at MC, Lemoa was highly committed to engaging the students in their learning. Some of the highlights for him have been the MC Malaga to Samoa, leading the Samoan group during Polyfest with many wins, the gardening activities during the Wider Living week and seeing the students achieving excellent knowledge of the Samoan language and culture.

He is leaving Māngere College to take up a position of Professional Teaching Fellow / Lecturer in Pacific Studies (Samoan) at the University of Auckland. We wish him all the best and know that the University of Auckland will benefit highly from his knowledge and experience. Lemoa will be greatly missed by our students and staff.

I le fa'aiuga o le masina o Mati, na faaiuina ai galuega fa'afaiaoga a le Tofa ia Lemoa Henry Fesulua'i mai le tatou Kolisi ona o lona valaauina e avea ma Faaiaoga i le gagana Samoa i le Iunivesite a Aukilani.

Sa lei mafai ona fai se fa'amavaega aloa'ia ma le Susuga i le faiaoga ona sa tapunia faatopetope le aoga ona o le fa'ama'i o le Covid 19. E ui i lea, sa taumafai lava vasega a Lemoa e faatino pea lo latou valevalealofa i le Susuga a le faiaoga.

O le a misia lava Lemoa e le Kolisi a Magele ae maise tama ma teine o loo a'oa'oina le gagana Samoa, faapea latou sa i le Kulupu Samoa.

Ia manuia lou vala'auina, foai e

I le Atua le malosi ma le atamai e fa'aauuina ai le galuega ua tofia oe e te galue ai.

KULDIP SINGH

Kuldip began at Māngere College 16 years ago as the Science Laboratory Technician.

He brought a wealth of knowledge along with him as he had previously been a Principal at a high school in Fiji as well as having vast experience in the laboratory.

Kuldip has been a valued member of the Science Department. He was always willing to help staff in the classroom and out of the classroom as well as supporting students with their science work and coming along to the field trips.

Kuldip has left MC to head into retirement. We wish him all the best for the next chapter of his life.

Haere rā e te piki kōtuku, Jocelyn Maitland

On the 11th of November, two days before her 78th birthday and two years into her retirement, Jocelyn passed away peacefully at home with her family.

We remember Jocelyn for her dedication and commitment to this kura. In her four decades working in the office at Māngere College she supported every principal from Ivan Armstrong, the founding principal, to Tom Webb, our current principal. Jocelyn was renowned for her knowledge of school protocols and procedures and made sure we all knew what to do and when.

Always at her desk by 7am she would start her day putting things in place so that our day would run as smoothly as possible. Whether it be clearing messages and sending us important information, doing mountains of photocopying, organising the school vans for trips out or greeting visitors at the reception counter, she was 'onto it'. Ex-students coming to enrol their own children would be surprised and reassured to see Jocelyn's familiar face as their first point of contact.

Jocelyn's daughters were both educated at Māngere College. Like their mother they have shown dedication to this school - Louise is the current tuckshop manager and both Stephanie and Louise are assisting with preparations for our 50th Jubilee next year. We offer them and their families our sincere sympathy. Their loss is ours. Jocelyn was a constant in our lives. She gave her best years to us and for that we are most grateful.

Nō reira e te whaea, haere atu ki a ratou mā kua taka i te nuku o te whenua i mua i a koe.
Kia hora te marino, kia whakapapa pounamu te moana, kia tere te kaarohirohi i tō haerenga.
Kia hora te marino, kia whakapapa pounamu te moana, kia tere te kaarohirohi i tō haerenga.

'Jocelyn was a constant in our lives. She gave her best years to us and for that we are most gratefully.'

Head Girl's Report

Ae oute le'i asaina le nata i fale o aana lea na pisia ai vae o le nofoa fia o Lilomaiava, e ao ina ou faatulou. Tulou, tulou, tulouna lava. Lulu atu outou paia ma outou mamalu o le a le o'o iai se faamatalaga.

O a'u o Herilla Victoria Salu Finauga, oute mimita lava i lo'u aganu'u ma lo'u gagana.

First and foremost, all the glory and praise be to the Most High, who has blessed me beyond measure.

Four years ago I entered the front gates, scared, isolated and extremely nervous. It is difficult to describe what has been a rollercoaster of a journey for us all. Whether you arrived at the very start of Year 9 or joined us along the way - undoubtedly our experiences have brought us together as a family.

The class of 2020. What a year this has been for us. Thank you everyone for your patience and perseverance throughout the year. Despite COVID 19 being in the way of many opportunities and activities, we managed to fight through it and created the most memorable year for us all.

I have overcome a lot of barriers this year, and I am proud to say that due to the unconditional lectures and daily prayers from my parents, the support system from my family, I was able to complete the year as your Head Girl of 2020. A goal that I had aimed for, and now have

achieved.

My fellow students of Māngere College, it does not matter whether you're academically skilful or physically skilful or both. Believe in yourself and have a positive mindset. Make careful choices, so that your choices will reflect positively on yourself and the course of your actions will take you further in life. The teachers at this school have helped me grow into the person I am today and for that, I am very grateful. The Māngere College family has helped me strengthen my cultural values and embrace my talents.

There are so many of you I would like to give credit to, for making this journey a memorable one. You have shaped and moulded me into the bold person I am today. I acknowledge my subject teachers who pushed me to the limit, to complete assessments and made sure I went home with a bulk of homework to do. Also, to my friends who motivated me to run for Head Girl, and always complimented my mum's tuna sandwiches, thank you for being by my side.

Thank you Mr Webb for believing in me and trusting me as your

Head Girl for 2020. Thank you Mrs Ah Sam. A mother figure to us all, a matriarch to the school and an influential woman at heart. You continue to inspire me and always push me beyond limits. Mālo Le tautua Mama.

Thank you to all the teachers at Māngere College who have supported me through my time and who continue to be an inspiration for our students.

Finally, my deepest gratitude to the two people who believed in me and invested in my dreams right from the start. My parents are my ultimate role models and my driving force in life. As migrants from Samoa, they sacrificed their home to come to New Zealand to find a better future for me and my siblings. Because of you, I am who I am today.

As my final encouragement to our students, I would like to leave with you a little thought in mind. No matter where life takes you, never forget the sacrifices your parents made to get you this far in life. The future belongs to those who are prepared for it. Set your goals, work hard to achieve them and continue to 'Seek the Heights.'

Faafetai Lava Kolisi o Magele, mālo le tautua mālo tautai.

- Herilla Salu

he 'aho ni kae 'ataa mo'oku ke fakamonū hoku koloa he
kātoanga tānaki tu'unga 'o e ta'u fakaako 2020.**

What a journey it has been this year. From the moment I walked through those gates I had no idea of the family that I was about to join. I had no idea of the journey that I was about to begin. Because I walked through these gates, I was able to meet new people that I would call lifelong friends. I was able to hone my talents and improve greatly in certain areas of my education.

This school not only exceeded my expectations but expanded my love for it during my time here. I was shown the importance of a school family and how embracing it is always better than hiding from it. Something I will always remember is the MC values and the message of a school family that we always display.

I would like to give a huge thank you to every teacher that I have had the pleasure to work with during my time at MC. You have played a huge part in my successes. To my dear parents, you play the biggest role in my life. You do the most for me and I

am truly grateful for you. At the end of the day all my accomplishments reflect on you both and everything I do is for you. To my beautiful Mum, thank you for everything. I will never forget what you say to me, whether it's during a car ride or whether you're growling at me. Everything you do for me is always more than enough. If it weren't for your ongoing encouragement, continuous love and support, I wouldn't be the person I am today. Thank you, Mum.

To all my Year 13s, we made it. Whether you joined late, or if you were here at the start, we are all family now. From singing in pretty much every class with the boys to finally performing together, and from cracking jokes in the hotspot and anywhere where we could all laugh as only polys could.

This is the saddest part of our high school years. The part when we leave our second home or for some of us our first. A place where we not only developed in our education

but evolved as individuals. The place where the iconic John & the Boyz was formed, and the home of our very own Samoan Cowboy. The memories go on and will live on in our hearts, but it does not end here.

Be prepared and eager to go out into the real world and take on the challenges of life head-on. Always remember your whys and the importance of family. At the end of the day, it is all on us to make our parents proud and to push ourselves and strive for what we're aiming to achieve. So be ready and don't hesitate when the world comes knocking at your door. It has been a pleasure being able to endure through this journey with such a unique and diverse bunch.

I am grateful for the time I've had with you all and the memories that we've made. From the bottom of my heart, I wish nothing but love and support for your future endeavours. But for now, this is us. So, cheers to us, the class of 2020.

Student Leaders

The student leaders have been a great example to the rest of the school this year. With 2020 being such a difficult year, it was great to see our student leaders stepping up and being so present and visual especially in the lockdowns.

They have all contributed to the needs of the students, responding appropriately and with compassion when needed and ensuring everyone feels part of the MC Whanau.

It has been a pleasure working alongside them this year.

THESE SPECIAL AWARDS ARE DECIDED BY THE STAFF OF MĀNGERE COLLEGE:

Glenys Erickson Memorial Cup

Ramona Mafileo

For the senior student who has best demonstrated throughout their time at Māngere College a high standard of achievement, participation and perseverance.

Elizabeth Ellett Memorial Prize for Meritorious Achievement

Liona Vaihea

For the senior student who has achieved to a high level in one or more areas of the school

David Gock Cup for the Spirit of Rotary

Aaron Koiatu

For the senior student who upholds the Rotary Four Way Test: Of the things we think, say or do, is it the TRUTH, is it FAIR to all concerned, will it build GOODWILL and BETTER FRIENDSHIPS and will it be BENEFICIAL to all concerned?

Stan Kepa Prize for Leadership in Cultural Activities

Reupena Kilipati

For the student who has shown leadership and role model qualities in one, or across a range of cultures.

Williams and Cunningham Prize for Courtesy

Reupena Kilipati

For the student who is polite, courteous and cheerful; showing respect for others yet retaining their own personal strength.

Watson Prize for Service to the Community

Teava Tonitara

For the student who puts themselves forward to help out in the school and the wider community.

Benson Award for Service to Others

PJ Campbell

For the student who cheerfully helps staff and other students in a range of activities without being asked.

Lambie Prize for Leadership

Patricia Beazley

For the student who demonstrates leadership qualities and is looked up to by the student body as a role model.

Bader Award

Madina Salam Khel

The recipient will have overcome a significant hurdle in their life to become a model citizen of the school and make considerable progress in their education.

Māngere College Scholarship

Diana Pio

This Scholarship has been made possible by an anonymous donation to the school. It covers the fees, up to \$6000, for the first year of tertiary study.

Elizabeth Ellett Scholarship Recipient 2021 - 2023

Herilla Victoria Salu

This Scholarship is made possible by a bequest from the estate of Elizabeth Ellett, a long-time supporter of the College. The Scholarship is \$4000 per year for 3 years of University study.

Support Staff

2020 is the Chinese year of the Rat. The beginnings of an auspicious year and one to show strength of personality as revealed throughout the year.

The return excitement after the long hot summer was met with energy and enthusiasm as staff re-united again with colleagues and students. The keenness and eagerness of staff to support the new Year 9 intake journey and the continuance of work with the returning students a year older was positively telling.

The successes of the school and ultimately student achievements are celebrated by support staff. They were there, they were involved, they supported, and they contributed to the student's pathway of learning.

Support staff contribute towards meeting the school's strategic objectives which include

- extra learning support assisting students to achieve their goals
- supporting students for gateway experience and identifying pathways options for career opportunities
- options and assistance to embrace and overcome language challenges and cultural barriers in a new country and adjusting to school life
- widening different learning opportunities to engage in alternative education
- providing expert and specialised support in a healthcare model for mental, physical, emotional wellbeing
- delivering a safe and connected learning environment through IT and property needs
- keeping updated information

and links through the school website, facebook and instagram safe management of hazardous chemicals and walking the talk on health and safety

supporting green fingers and benefitting from the school garden

"It takes a village (our school) to raise a child (our students and leaders of the future)". Support staff are part of that village who walk alongside teaching staff led by the school leadership team who help to shape students' learning potential to excel.

Bang! – Covid19 and lockdown, a 100-year event that took everyone by surprise. The impact of this significant health phenomenon on students, staff and the wider community, the country, the world was nothing anyone expected to experience.

Fast-tracked into a realm of technology-based solutions saw students learning from home, teachers engaging in virtual classrooms. Using the cloud, google classrooms and other tools to help maintain and engage in on-going learning from the comfort of home was a new experience for many. Support staff assisted teachers and students to maintain a connected home learning environment. Administration staff coordinated responses to a barrage of community enquiries and made learning resources available.

As the pandemic set in, Support staff forums moved online. Technology fast-tracked everyone to engage and work differently. The normality of usual day to day school life was challenging.

Online connections became a melting pot of blurred and frozen images and robotic voices. Good

humour, patience and kindness helped us maintain sanity. The support staff forums have benefitted staff with professional development and strengthened the group network.

Sadly, we farewelled the following staff during the year

Science Technician Kuldip Singh left us in Term 2 after more than 10+ years

Nurse Roman Cabilla who was relieving for Erin Hunt was farewelled in Term 3

Teacher Aide Carmel-Maria Savaiinaea left in Term 4 to pursue a pathway to teaching

We welcomed new support staff

Kylie Franklin the new office receptionist

Sarita Narayan the Science Lab Technician

A welcome back to Nurse Erin Hunt returning from maternity leave

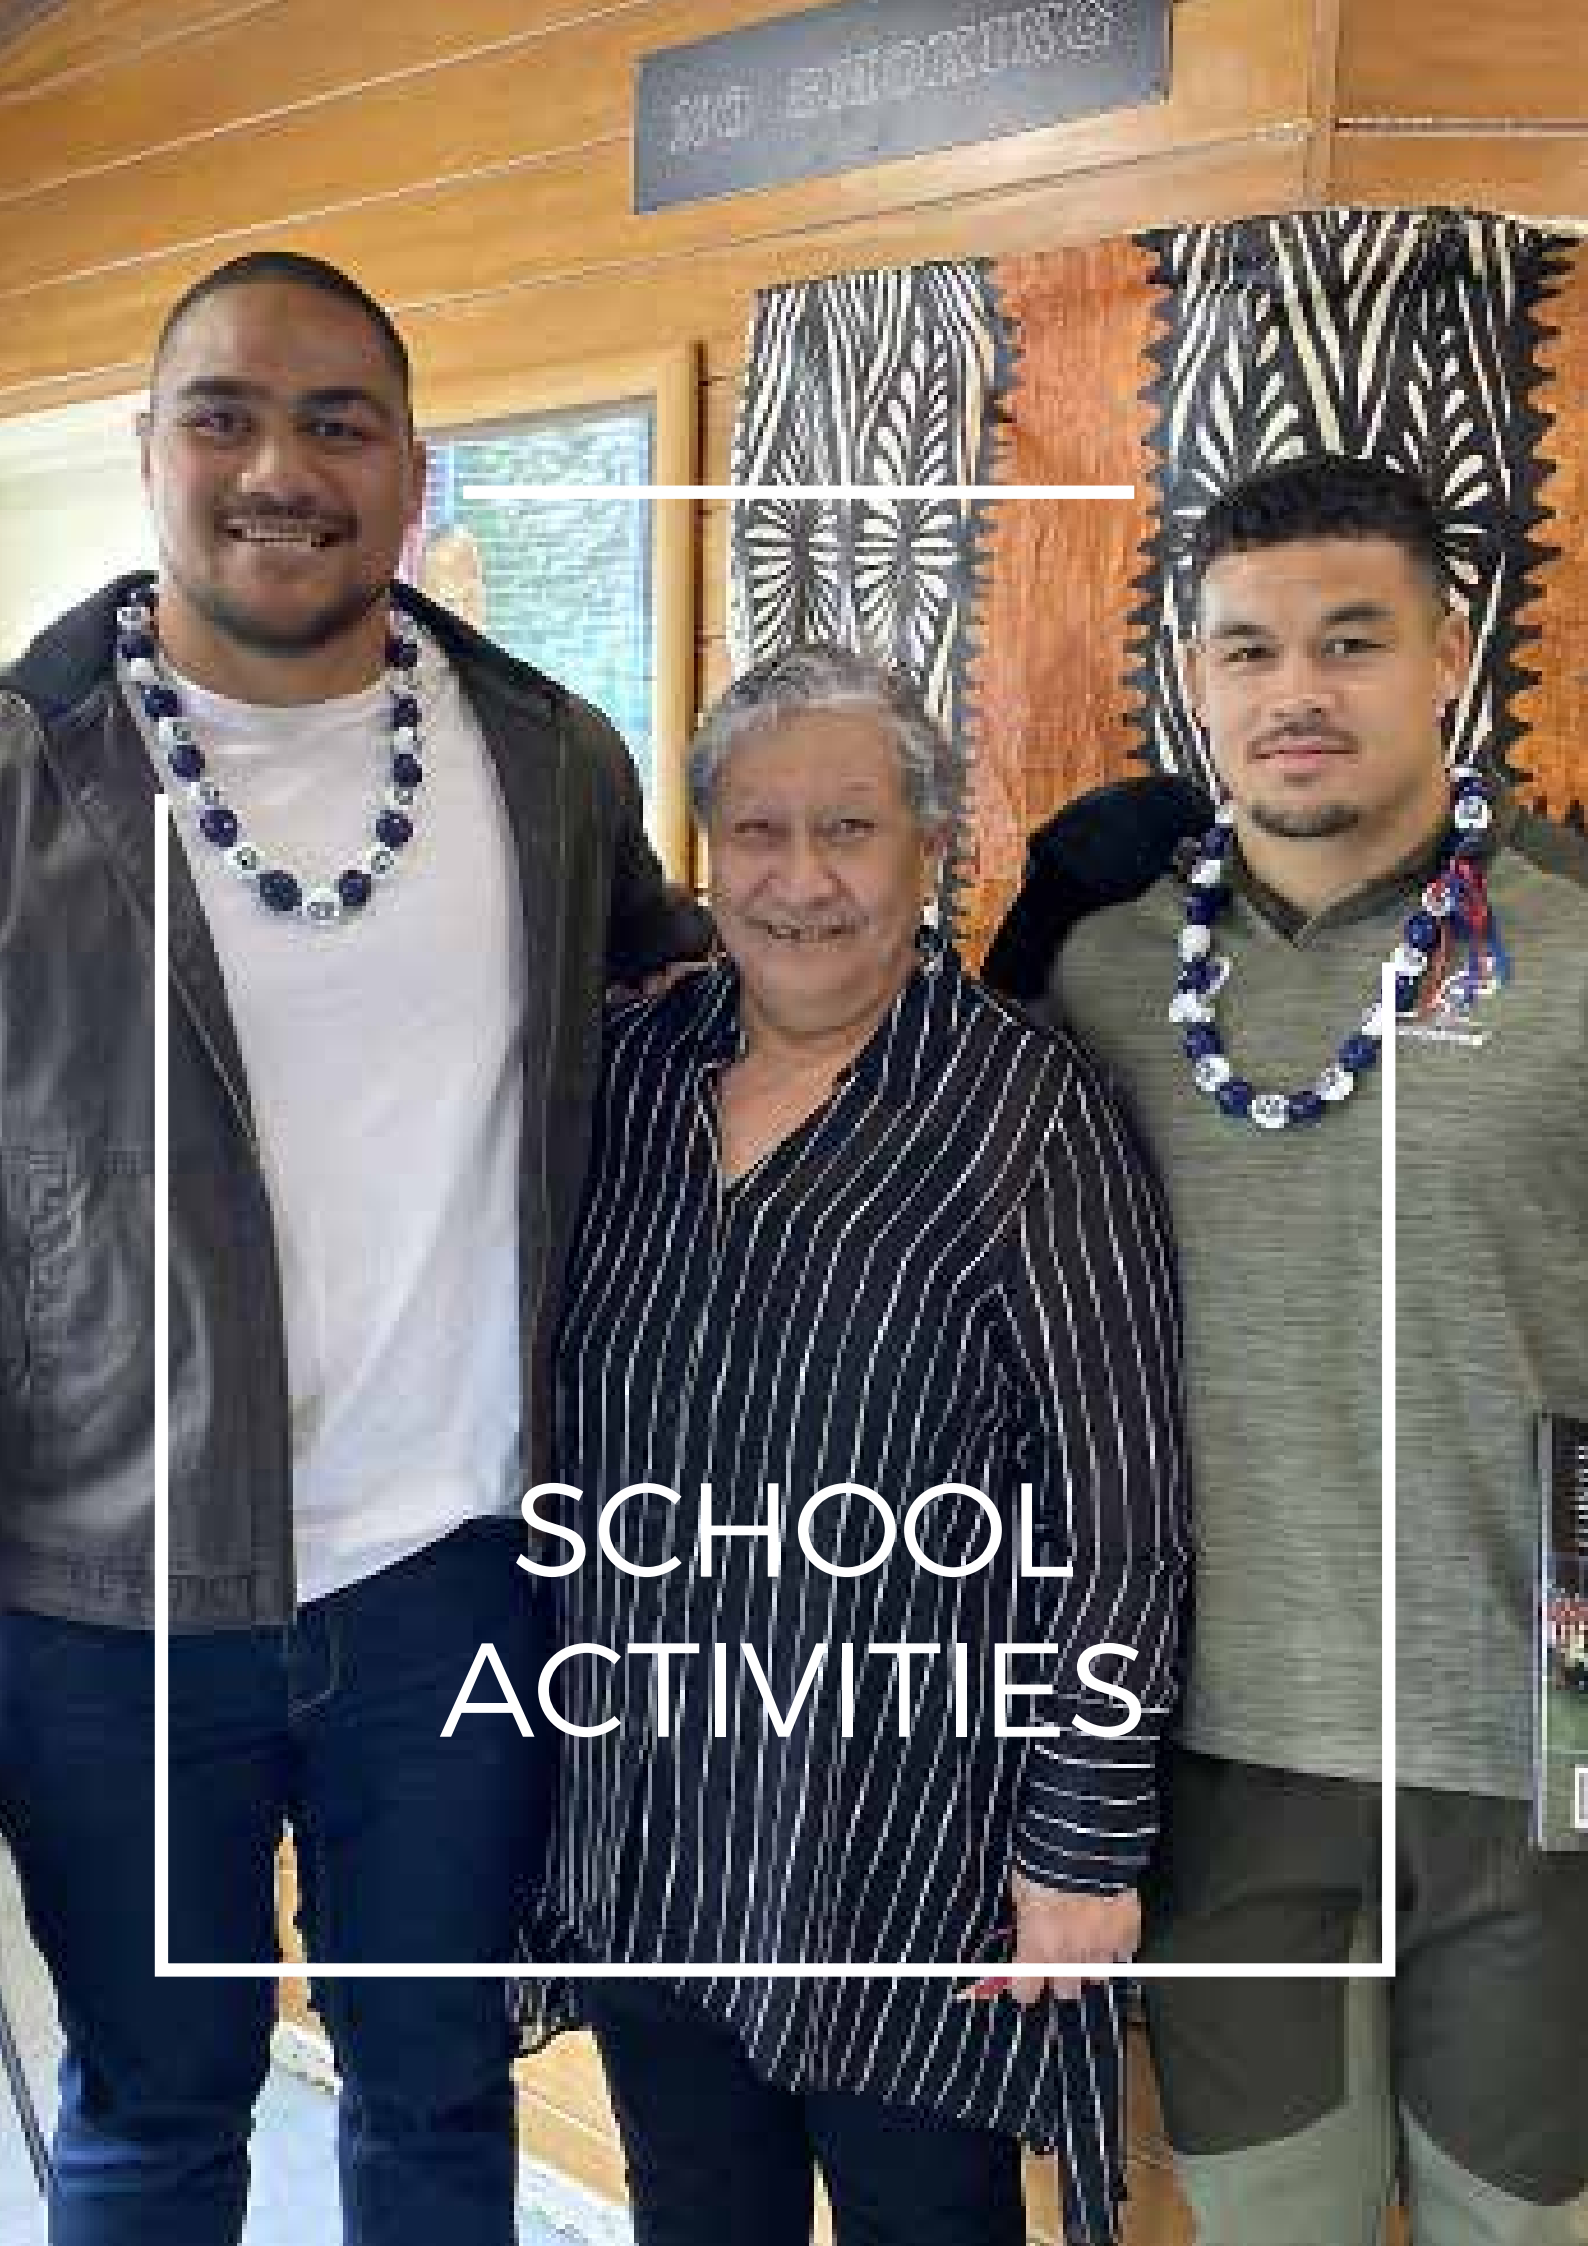

A special acknowledgement to the many school volunteers supporting the Sports Department, uniform and stationery shop and the school garden. Their commitment to our school has been invaluable.

The year has now ended, and the major disruptions almost seem to be past us, however the work continues for admin staff behind the scenes completing end of year processes with planning and preparations for the new year.

Thank you to all support staff and the work you do – it makes a difference.

Season's greetings and a prosperous New Year.

- Helen Faamoe

SCHOOL ACTIVITIES

OUR LIBRARY

Despite the challenges 2020 brought, the library did not fail to be a safe and peaceful haven for students. Our library family consists of 54 students and is constantly increasing as we have new and existing students of the college eager to become librarians. The existing librarians also upgraded their skills by completing their modules.

Throughout this year there have been various events celebrated in our library such as the cultural language weeks. Like every year, with the help of various teaching staff and students, Mrs Kumar dressed up the mannequins in traditional costumes according to the various language weeks celebrated in school this year as well.

The library also hosted Matariki celebrations where students learned how to make shapes and objects with strings.

The Tongan language week was especially memorable, as Māngere College was graced with a visit from David Riley, the author of Rise of To'a (who also happens to be an ex MC student). Ms Alisi Tatafu was the co-author of this book. The visit made students of the college motivated to indeed seek the heights and realise the importance of books in our lives.

The library also hosts Scholars' Club twice a week. This club assists students to complete their assessments, homework and study for difficult exams. Our friendly and helpful teachers make beverages and snacks for the hardworking

services our library has to offer. Our treasure of books was one of the main highlights.

Being a student librarian unlocks various hidden potential in students, and serves to give back to our community. Not only does it build our confidence and skills, it also provides a sense of belonging, bond and friendship between fellow librarians and the entire student body.

It has been a rewarding and memorable year and I am sure our library family will work together to make the coming years even better than the last.

- Shivashna Raj 12HS

students in the club.

Our library also plays an essential role in appealing to our potential students. Each year we have students from various schools come in to experience first-hand all that Māngere College has to offer. This year Māngere East, Bader and Viscount visited the library and got to experience the opportunities and

LIBRARIANS 2020

Standing - second row: Jordan Mauu, Adyhana Urika Filifilia, Ali Habibi, Alec Ah-Lam, Thu Nguyen, Tala Senitofu & O-Shay Murphy

Standing on chairs: Nargis Hussaini, Mahdieh Ahmadi, Bobbie Sue Sood, Alexis Fenton, Anne Tupou & Lua Omoregie.

Absent: Mahnaz Barbari, Engelene Gasologa, Toalima Leilua, Tukura Munokoa, Hadi Sultani, Josiah Ah-Lam, Shriti Chandra, Fetalaiga Mauu, Katarina Singh, Latai Tonga, Eh Htaw Kue Wah, Oumaima Ahmat Abdallah, Saleha Sameem, Najia Hussaini, Violetta Langi, Abigail Panuve, Kwae Reh, Me Reh, Ethan Sigglekow, Mele Tonga, Abdirizak Abdulmanan Ahmed, Younis Ahmat Abdallah, 'Etina Kaliopasi, Reupena Kilipati, Madina Salam Khel & Olathe Taumihau.

Refugee Activities

REFUGEE BIG DAY OUT

Going out on the Refugee Big Day Out was the best opportunity for the students to meet new students of Māngere College and get to know each other better.

We played lots of different Icebreaker games, introducing names with favourite body actions. We also talked about our future goals and how to achieve them, which was so fun. We also really enjoyed the different variety of

foods at lunch. Thanks to RASNZ (Refugee as Survivors New Zealand) who were there with us students and made the day more special for the refugees.

For every refugee, Māngere College is the best place they could wish to come to because we celebrate World Refugee Day with honour and love. I would like to say a big thanks to you all for your support.

- Madina Salem Khel

RASNZ held an awards evening at the Refugee Resettlement Centre, to acknowledge and thank those who have made an exceptional contribution to resettled communities in Auckland. Chu Moo Paw, who is a passionate advocate for young people was awarded the Youth Award. She choreographed the Bamboo and karen dances for Polyfest. Chu Moo also coordinates and teaches the karen language to the youth, assist with fundraising activities for her community.

REFUGEE CAREERS DINNER

During Term 4 we held our annual Refugee Careers Dinner in the Staff Room at Māngere College.

There were speakers from MIT, AUT and University of Auckland who gave our refugee students a slide show presentation and were able to help inform students of various University programmes, scholarships and enrolment information.

The families were all given a supermarket voucher to buy ingredients towards a plate food representing their culture.

GARDENING CLUB

Every Wednesday after school, there is an active group of refugee students and other staff and students who plant, weed and get to take home vegetables to their whanau. The club is led by Rosalie Kwan and we also have volunteer Metua Aerenga tending to the garden and supporting our students to get the best possible outcome from their gardening. Everyone is welcome to join!

WORLD REFUGEE WEEK: WHAT DOES THE WORD REFUGEE MEAN TO YOU?

People around the world are marking World Refugee Day on June 20, 2020.

Every year, millions of people are forced to flee from their homes in order to keep safe from war, persecution or natural disaster.

Those who have to leave their country are called refugees. The International World Refugee Day aims to raise awareness of this issue, which affects millions of people across the world.

The latest figures from the United Nations (UN) suggest that every minute, around 25 people have to leave everything behind in search of a safer life.

It is a time to acknowledge the strength and courage of millions of people who have been forced to flee their homes.

From Friends to Foes:

HOW TWO MĀNGERE COLLEGE OLD BOYS MADE IT AS RUGBY PROS

Wallabies centre Oikoumene “Hunter” Paisami and All Blacks prop Ofa Tu’ungafasi both hail from Māngere College and the pair returned to school in term 4 this year.

“We really appreciate them coming back and showing what hard work and strong values can get you.” says principal Tom Webb.

Paisami and Tu’ungafasi know each well off the field, as Paisami is good friends with Tu’ungafasi’s younger brother and often stays with the family when he returns to New Zealand. Even though Tu’ungafasi left high school three years before Paisami began, he says the accomplished Blues and All Blacks prop was an inspiration growing up.

“He would always say it doesn’t matter what school you go to because you can make it from anywhere. Given he has been able to make it out of Māngere College to the Super Rugby and All Blacks level, I’ve always looked up to him.”

Both players shared with the pupils the challenges they’ve overcome to make it into professional rugby. For Paisami, he says moving to Australia in Year 12 and having to make new friends and learn a new culture was tough. While he quickly made it into the Australian school boys team, his career hit a crossroads when he was cut by the Melbourne Rebels squad in 2018. However, he was able to catch the eye of former All Blacks lock and Reds coach Brad Thorne, and within a short period of time he’s become a consistent figure for his new team.

Tu’ungafasi says being from a smaller public school has been the best foundation for his professional

rugby career, as it has taught him the importance of hard work and taking nothing for granted. He says his main inspiration was seeing how hard his own parents worked.

“I had 12 siblings, and my dad was the only one working to support us, so life was pretty tough. When I started at Māngere College, I couldn’t speak any English, but I remember sitting in assembly thinking I want to get to the end of my time here and be able to give a speech to all the students – and I’ve done that. I believe anyone else can achieve what they want if they work hard and believe in themselves.”

Māngere College head girl Herilla Salu says having two successful Pasifika former pupils share their journey had a big impact on her and her peers.

“Knowing they’ve come from the same background as us can definitely inspire us – and as Year 13s who are leaving school soon and having to decide what we’re going to be doing in our future, it can motivate us to believe in ourselves and go for what we dream of doing.”

Duke of Edinburgh Award:

An adventurous journey

DUKE OF EDINBURGH AWARD: STUDENT EXPERIENCE

Earlier this term a group of students from our school were chosen to participate in the Duke of Edinburgh Award with Shannon Bentermen, our award leader from the Blue Light organisation. Through this journey of self-discovery, we were pushed to our limits and recognised our own personal achievements. To complete this award we had to learn a new skill, volunteer service to others, and take part in physical activity. There is also an adventurous journey camp where we did outdoor activities. The biggest challenge we faced was hiking up Mt Tauhara that took us a total of three hours. The Duke of Edinburgh Award is a great opportunity for students to break out of their comfort zone and try new things to enhance their personal potential.

- Alexis Fenton

DUKE OF EDINBURGH AWARD: TEACHER EXPERIENCE

We headed to Mt Tauhara to begin our adventurous journey. We challenged ourselves to be responsible, caring for other members of our group and we pushed each other to hike that winding and sometimes narrow and steep trail. The total distance was a 2.5 km climb to the summit at 1088 metres. This experience helped us to improve our health and fitness.

We got out of our comfort zone and completed the hike to the

summit, taking in the breath-taking panoramic view.

The next day we hiked from Taupo township to Spa Park along the riverbank of the Waikato River to Huka Falls for lunch. We had to complete challenges on the way and took the opportunity to develop self-confidence and teamwork skills. to develop self-confidence and teamwork skills.

We all accepted the challenge and made it to the end of the journey!

- Rosalie Kwan

MC Media

This is the second year of the MC Media club running at MC. Covid-19 slowed down some of the MC Media activities, but we were still able to capture many exciting school events. We had some new students join the group and learn some technical skills and gain some media exposure. Looking forward to some exciting things happening in 2021 - watch this space!

MĀNGERE CANDIDATE DEBATE

On July 31, there was a Māngere Candidate Debate in the Māngere Town Centre in preparation for the 2020 Election.

Olathe Taumihau, Mele Tuakalau and PJ Campbell from Māngere College were invited as part of MC Media to speak to the four local candidates and ask them questions relating to the youth of Māngere.

The candidates were Labour's Aupito Su'a William Sio, National's Agnes Loheni, the Greens' Reverend Peter Sykes and Fuiavailili Ala'ilima from the New Conservatives Party.

The students did an exceptional job

with some challenging questions directed at the candidates. Awesome work!

PERFORMING ARTS SHOWCASE

After being postponed twice, our Performing Arts Showcase was finally able to go ahead on Monday 28th and Tuesday 29th September, in the school holidays. The Showcase was an awesome celebration for our school with singing, dancing, spoken word and drama. MC Media had a crew of 6 students who helped to photograph and film the event. Thank you to Alec Ah-Lam, O-Shay Murphy, Tavake Kamana, Makeleta Alofaki, Anne Tupou and Tala Senifo who all worked hard to capture the amazing

performances. Check out the photos on our Instagram account - @mangerecollege.media and videos on the Māngere College Performing Arts Youtube channel.

AUCKLAND BALLERS WORKSHOP

Some of the Auckland Ballers visited school during term 4 to document our senior basketball students. They let MC Media students Mele Tu'akalau, Makeleta Alofaki, Tavake Kamana and Anne Tupou use the cameras and gave them some quick tutorials on how to handle the professional gear. It was such a great learning experience for the MC Media students who came away really excited about the media industry with also the possibility of further connections, part-time work or apprentice type training.

The group that came through included Seth Siopo, Matavai Taulangau and Reagan Butler who are all professionals in the media industry and are mostly from South Auckland.

- Joanne Latif

Rise of the To'a:

BOOK LAUNCH

During Tongan Language Week, Year 9 Dean and Social Sciences teacher, Alisi Tatafu launched her new book 'Rise of the To'a' alongside co-author David Riley.

David is an alumni MC student, so launching the book at the school and in our school library seemed the perfect fit. 'Rise of the To'a' is about the Mate Ma'a Tonga League team, and was written to inspire our Pasifica youth to overcome their challenges just as the MMT team did to win the Rugby World Cup in 2017.

Well done to Ms Tatafu, what an awesome achievement!

Ngā Rangatahi Toa

This year has seen us have some amazing opportunities where there haven't been any before!

We have grown, we have adapted and we continue to respond to the needs of our rangatahi and whānau.

While our landscape changed, so have we. We remained agile, open and continued processing in real time. Throughout this year we planned to fail and shoot those gaps when windows would open up where we could be together

and connect. This has enabled us to reach some phenomenal achievements alongside our Māngere College students.

Here are some highlights from the year:

- Online workshops in Level 4 & 3
- Creation of our haka
- Base FM internships
- performing at We love Aotearoa
- Wassup at 10am project
- Auckland Live workshop week
- Fresh Movement and creative

artist workshops

Allpress Coffee barista training

Fresh new students for 2020/2021

3 new rangatahi leaders in paid employment with us

Ngā Rangatahi Toa'

Toko Hauora

MANAWA WHENUA HAUORA PROGRAMME

The 2020 Manawa Whenua Hauora programme began with breakfasts for all year levels in Term 1, providing a platform for students to connect with each other, their form teachers and other staff as MC family at the beginning of the school year.

The advent of the Covid 19 pandemic with two lockdowns affected how things were organised. During lockdowns, the Toko team ran a series of online workshops for both staff and students covering such topics as Keeping Connected, Dealing with Emotions, Coping with Stress, Mindfulness, Resilience and Identity. They also supported Ms Elizabeth Tupua, the school's wellbeing coordinator, by providing prizes for her lockdown challenges.

Once the lockdowns were lifted, workshops continued in the auditorium on Wednesdays after school, and guest speakers included Māngere College's very own Mr Mike

Darragh and Mr Paul Campbell.

Prior to school re-opening, the Toko Collaboration Charitable Trust collaborated with Māngere College's Hauora team to produce a video that reassured students they were welcome back, would be safe in Alert Level 2 and that looking after their wellbeing would help them cope and build resilience.

The Manawa Whenua Hauora programme has gone from strength to strength with a Toko leadership training day held in the first week of the July school holidays for its leaders. This was a very successful joint venture with the NZ Defence

Force and the Māori wardens. A new Manawa Whenua Hauora badge was designed by Matua Maehe Nuku and presented to students at a Parents' Fono in October. New wellbeing awards for prizegiving were also set in place for the Manawa Whenua Hauora leaders. It is very pleasing to see these young leaders develop and grow in confidence and leadership, and the Toko Collaboration Charitable Trust would like to wholeheartedly thank all the staff and parents for supporting the students in this programme.

- Marina Potter

DEPARTMENTS

Achievement Centre

Tasi Limoni started at the Ambury School for Riding in 2019 – a partnered approach to helping him achieve in both his learning and in life. After an unsettled start, Tasi soon became an inspirational leader among his peers and a pillar of respect and responsibility. Adding to this, Tasi mastered the art of riding and caring for the horses.

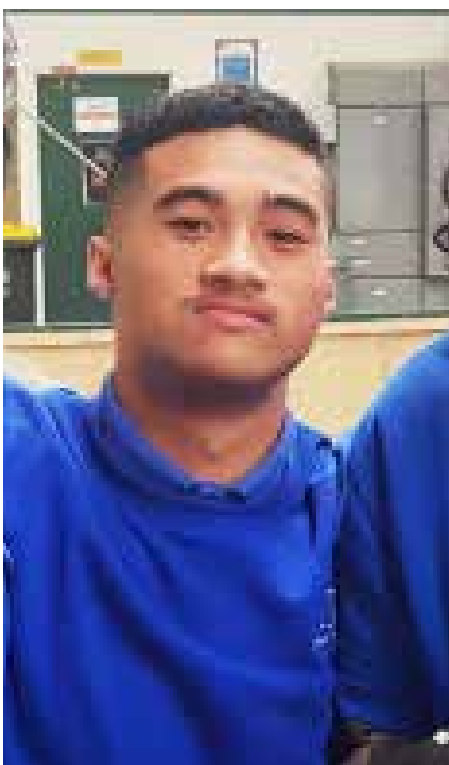

This year with the recommendation of the Principal and staff at Ambury, Tasi attended an Automotive class at the Manukau Institute of Technology (MIT), in what was only to be a two-week trial. One-week in, Tasi was accepted into the full Automotive Course at MIT. From successfully stringing paragraphs together and solving math problems in the Learning Centre, to cooking and baking in the Achievement Centre, through to riding and tending to horses at Ambury...Tasi is now a full-time student at MIT. Congratulations Tasi.

This has been quite the year for everyone. Even with the Covid19 lockdowns, students in the Achievement Centre qualified for their learners licenses, participated in cultural performances for language weeks and public events, taught Year 7 and Year 8

students sports skills, went on work experience and first aid courses and were even named in the school's 1st XV Rugby team. We acknowledge Jeremiah Falanaipupu and Nathan Taufahema who were named in the team for 2020. Nathan was also appointed as co-captain.

We are also extremely proud of Violetta Langi and Nathan for taking a leap outside their comfort zones to submit applications to become Student Leaders. Nathan was successful and will be a Student Leader in 2021. The mere fact they applied, is a huge achievement. The Mamba Mentality (introduced and made famous by the late L.A Lakers and NBA great, Kobe Bryant) means "to be on a constant quest to try be better today than you were yesterday". This has been our ACH focus for 2020. We're ACHIEVING IT every single day.

- Hermann Arp

Art: Hermon Mani

Hermon Mani has clearly demonstrated his creative powers this year, excelling in the Art disciplines of painting and printmaking at NCEA level 2.

He came into his own when helping with the tutoring of the year 8 groups from neighbouring schools for our Open Week, being able to confidently demonstrate skills and communicate ideas. Hermon is from the Cook Islands and has been in New Zealand since he was in year 9.

- Mike Christo

Business Department

2020 was a very unusual year for everyone. Though we planned to do so many school trips, COVID-19 stopped us. Our Accounting, Economics and Business students were to travel to Wellington, so instead a virtual outing was organised to help them complete their course work, to gain their NCEA credits.

The Year 11 and 12 Business groups were able to carry out their market days successfully, selling food that had been prepared by students and making a profit.

Our Year 13 business students had a successful year with their creative ventures. One of the groups called 'Handy Mates' created fruit and veggie bags out of donated Air New Zealand head rest covers. The students made the product, advertised it and sold them successfully. Led by Herilla Salu, Cynthia Misi, Miraclerena Tuta, Joell Fuimaono, Liona Vailea and Esther Siaki, they were selected to present in the final round of an almost "Dragon's Den-like" pitch at Young Enterprise Studies, resulting in an

overwhelming win. They will be awarded a prize for their fantastic work with a sustainable product.

The second Year 13 business group, 'Corona Busters', was led by Olathe and they produced masks which helped to prevent the spread of COVID-19. While the lockdowns hindered the profit margins, they had first-hand knowledge on how to run a business in a difficult scenario.

Young Enterprise Studies Auckland South Awards

In term 4, our Y13 Business students won 3 awards at the Young Enterprise Studies (YES) South Awards!

Group 1 - 'Handy Mates' received

the Regional Final Award and the Excellence in Sustainability Award.

The students in this business group: Herilla Salu, Miraclerena Tuta, Liona Vailea, Cynthia Misi, Joell Fuimaonu and Esther Siaki.

Group 2 - 'Corona Busters' received the Excellence in Validation Award!

Students in this business group: Ofa Ulunga, Olathe Taumihau, Amelia Fehoko, Sapela Tiavaasue, Eneleata Pulemau, Rozlyn Tikinau, Anasta Manukau.

Our Head Girl Herilla Salu won the best Chief Executive Officer of the year award.

A special mention goes to Ms. Nadan for her support in helping these students to succeed.

The Business Education Department has had a successful year considering nationwide and global challenges.

Careers at Māngere College

Kia ora and warm Pacific greetings to you all. I am Ms Karanga and 2020 was my first full year at Māngere College, in charge of the Careers Department, and what a whirlwind year it has been.

We coped through two lockdowns, which threw all our plans for work experience out the window and into the unknown.

Mrs Reade stepped up into the position of Star and Gateway Coordinator like a boss, and worked miracles around the Auckland area. She has undertaken a mammoth job, vacated by Mrs Pene who resigned last year. Mrs Reade, along with Mrs Kwan and Mrs Akhlaqi has helped us numerous times with our students' needs in Careers, and I would like to acknowledge them for their efforts.

Careers would not cope without our awesome teacher Mrs Nu'usavili, she has worked wonders in our career programme ensuring that

all students reach their highest capabilities. I am glad to announce she has become a permanent member of our team and will help facilitate again in 2021. "Faafetai tele faiaoga".

VOCATIONAL PATHWAYS

In Vocational Pathways the boys have had an opportunity to attend various training institutes around Auckland and develop different skill sets. This year has seen them journey them from MIT, to KIWA in Papakura, to Vision College in East Tamaki and to On Demand Logistics in Manurewa, to work experience in

Waiuku, and to complete their driver licensing, forklift licences, and Site Safe certificates.

We would like to acknowledge the work of Mr Perks, and Mr Aviga from Manurewa High School who helped us bring our students into these amazing opportunities.

Also, to Ms Sarah Redmond from ARA who has done a fantastic job, organising our school to be given these life changing opportunities.

STONE CARVING WORKSHOP

During Māori Language week, we were able to secure ABSCA, Aotearoa Bone and Stone Carving Academy to come and hold a workshop for our young Rangatahi at Māngere College. This is the first time we have been able to do this, and Whaea Arihana was able to share in this experience with our students. Mr Maha Tomo, is the carver who also came with his partner to present and facilitate our students. This workshop will be available again in 2021.

Throughout the Careers classes we have had some outstanding students who have in one year completed Level 2 and 3 in 2020, which has allowed them to focus on a sixth subject in 2021. I would like to also mention a massive thank you to all the students who have made the next step forward in their Hikoi/Malaga/Journey into tertiary studies.

CAREERS EXPO

The Careers Expo on July 31st allowed students to see what was on offer in the wide world. 2021's Expo will be bigger and more focussed on industry, apprenticeships and Universities, so watch this space.

Māngere College has had some fantastic students accepted all over the beautiful country of Aotearoa, into universities and training institutes that will enable them to work towards their dream degrees and careers. Massive congratulations to those of you who were successful in securing

scholarships and placements at our top Universities.

There will be some students who are still planning their future and have joined the ARA expo which will happen on the 12th of November. These students will have been bridged into permanent work by this day but have been working hard to gain the licences and tickets

in training for their employment sector.

Scholarship planning for 2021 students in Year 12: this is the year that you will need to aim for those Merits and Excellences in your subjects, this will help you apply for University scholarships in 2022. Tertiary study is all about planning and working towards a common goal of personal achievement.

On a final note to all students who want that dream career, plan and commit to seek the heights of personal achievement, and believe in yourself!

“He Mahi Tahi Tatou Mo Te Oranga Katoa”.

We should work together for the wellbeing of everyone.

- Ms Karanga

English: Creative Writing

HOW I BECAME THE SAMOAN COWBOY

Hi, my name is Reupena Luamanu Kilipati and I am a country singer and the MC Samoan Cowboy.

I was born and raised in Samoa. When I was little, I started singing everyday especially when I would go to the plantation to work. It made working fun. When I finished work, I would take a break and naturally begin singing to myself. I had a little bit of a country twang and I thought to myself how amazing it was because I felt that God had given me a gift and I had recognised it. I began to sing at church in the choir and solo. This is where I was able to get a lot of experience and over time, I began to create my own style. My voice was always strong, but it began to develop more and more. As I grew it seemed so did my voice. I've always been appreciative of it because it is a blessing from God.

In Samoa I had dreams of recording my music, but it seemed impossible to me. It wasn't until I moved

to New Zealand that I began to see a way of turning my dreams into reality. At Māngere College, I took music. It has always been my passion and my number one subject at school. I think that it was the first step in my journey. I began to become more confident in myself. During this time, I started playing around with music with my friends and sometimes we recorded ourselves on our phones and uploaded these to youtube so that we could share our music with a wider audience. It was fun, but I still wanted to do something more professional.

I was thinking about recording a cover of the song called 'Trying to get over you' by Vince Gill because I loved the lyrics and melody. I wasn't sure how to go about it, so I talked to the music teachers to see if they could help. They suggested we record it at school. The equipment wasn't state of the art, but I think we got a pretty good recording. After getting the soundtrack down I was

thinking of making a music video for it. I felt so inspired to make it happen that I discussed it with Ms Emily. She suggested that we could film it at Ambury Farm. I asked my best friend to help me out. She agreed to act for me in the video.

The song is about a relationship. His girl moves on and he sings to her about all the things that they were promised from the stars. The words of the song are so powerful to me because I feel the emotions of the song when I sing it. The video was fun and difficult to produce all at the same time. We incorporated riding a horse in the clip and so that was a challenge because I wanted to look natural as if I had grown up around horses. It was the same for my best friend. It was the first time she had been around horses too.

With some clever editing the video turned out really well. I was proud of it. I hope to follow my musical dream and I can't wait to find out where it takes me.

MISSING

“Mevrig” Mum sighed.

“You’re finally sixteen my dear!” She continued, as I watched her peel the potatoes.

“Go get ready now darling, the guests are going to be here any time now!” She said.

I nodded and quickly ran up the stairs to search for a suitable dress for tonight. We had invited our new street neighbours to come over for dinner and suggested a ‘90’s style’ theme. I was excited, kind of. I mean my mum wasn’t really the type to let anyone in the house since her boyfriend went missing. I picked the dress I randomly found in the attic once when I was up there and put it on. Then I quickly rushed down to take over my mum’s duties so she could get ready as well.

“Ding, Ding.” The doorbell rang! I walked politely to the door with a smile ready to greet our new so-called neighbours. As I opened the door - wait - there was no one there. I turned around to look at mum only to find her looking at my knees. My knees? I wanted to know what she was looking at, but it wasn’t my knees. It was a child! It was a little

girl with her teddy that had a name tag reading ‘Louisa’. The teddy was a bit ugly, but the little girl looked quite presentable.

“What’s your name?” I asked kindly.

She didn’t say anything, in fact, 5 seconds later she just put her teddy near her ear and walked in MY house like she owned it. It was strange.

“Bella!” Mrs Carol said as she appeared in our doorway looking at her child.

“I deeply apologise for my daughter.” She worriedly exclaimed.

“No need for that! Children are so innocent. They don’t know what not to say!” Mum replied, grinning.

As Mum and Mrs Carol laughed, Mr Carol decided to join the bandwagon.

.....

A few moments later Mr and Mrs Carol introduced their daughter and said that she always held her teddy to her ear everywhere she went because she felt safe with her teddy close. Moments later we all sat down to eat dinner. We were supposed to

have five dining seats, but instead we added an extra one for ‘Louisa’ the teddy. Even better Louisa was right next to me. I stared at it for a few seconds then I looked back at mum. She was too busy talking with the guests to notice me so I just sat there.

As we all had to close our eyes for prayer, I heard a whisper...

“I know what you did!”

“...What was that? Who said that?” I said, interrupting the prayer. I was scared. I looked to see that the teddy beside me was gone.

Mum looked at me angrily. Til ‘BOOM’ The ceiling fell down out of nowhere. A body covered in blood fell from the attic with a note saying ‘Mevrig did this.’ Mum screamed as she noticed the ring on the body’s finger.

It was her boyfriend.

- Mary Silva 9NU

ESOL Department

SHARING IS CARING (SHORT STORY)

One day Danny knew that he had won the lotto, but he realised that he had lost the ticket.

Then he looked for it in the rubbish but it was already empty. He asked Sam (his friend), "Do you know where the rubbish goes?" Sam showed him where the rubbish bin was.

He went to where he had left the rubbish but he couldn't find it. Next, he went and asked a group of people to help him find his lotto ticket. He was looking for his ticket. Everyone was searching. They heard Sam say "I found it". They all looked at Sam.

Sam found the lotto ticket in the rubbish. They went to the shop and said "we won"

Sam gave the lotto ticket to the man and HAPPILY shared the money with HIS FRIEND.

MORAL OF THE STORY: ALWAYS SHARE EVERYTHING WITH YOUR LOVED ONES

ESOL*

REFUGEE JOURNEY: THE REH FAMILY

In 2017 Kwae, Oo and Me Reh came to New Zealand from Karenni Banmai Naison Refugee Camp in Thailand. The camp is situated on the border of Burma and Thailand.

We were born in the camp. All refugees are not allowed to leave the camp. You are allowed to go to the hospital only with an appointment. The education is very low and we can grow vegetables for our use.

It's difficult to get a passport which is required to work outside the camp.

Soe Reh came to New Zealand in 2018. Our families applied to UNHCR (United Nations High Commissioner for Refugees) to be resettled. We had to wait two years before the paperwork was finalised.

Now we have a better life, education, a warm home and an opportunity to own a car.

We are very fortunate to be welcomed by a friendly country.

- Oo Reh, Kwae Reh, Soe Reh, Me Reh and Key Reh

SHWE'S REFUGEE JOURNEY

Refugees are people who have been forced to leave or escape their country because of war or natural disasters, but those are only some reasons. I came to New Zealand because my parents wanted to start a new chapter in life for my siblings and me.

It was an awesome first experience of New Zealand and I felt very blessed to be coming to Aotearoa. The freedom of life came back, even though I missed my friends back there. I had no clue how to speak English, and it was pretty hard back then. Looking back, I was nervous about learning from the start.

My first school really supported me with subjects and my everyday routine. It was tough getting used to everything and where places were.

My hard work and dedication helped me to be motivated to keep going, even when it felt like a rollercoaster. I actually felt really happy and proud of my parents for leaving their family to help my sister and me with our future. Looking back to our first arrival, it was quite funny and I was nervous because every road we took, there was always sand in our faces. We got to stay in a hotel for 2-3 days until we got to the place we had to stay. Life was surely impressive, to be honest. So every road or path we take is always possible for right and wrong. Don't give up in life and keep working towards your dream. Right now I'm at Māngere College to learn more about the future dreams for our generation.

- Shwe Ko

AQUILA'S REFUGEE JOURNEY

I was born in Afghanistan but moved to Pakistan with my mother and two sisters when I was young. We stayed in a place for widows and had a room with a shared kitchen and bathrooms. I went to school and made friends who I played hide and seek with in the dark.

My Mum worked as a cleaner, sometimes my sister and I would help her.

I can see the differences between Pakistan and New Zealand. In Pakistan, there were no flowers or trees. Sometimes I miss my friends. I can speak Pashto.

When I came to New Zealand my life changed, and I am happy to be able to smile. Thank you.

- Aquila Rajab Ali

LANGUAGES

**‘E ivi no toku nei ivi, e kiko no toku nei kiko,
ieeeeeekookoo’.**

Kia Orana tatou katoatoa. This year we celebrated Cook Islands Language Week in full Cook Islands style and fashion. “Te atua mou e, ko koe rai te pu, o te pa enua e.” Our anthem opened up Cook Islands language week in the hotspot. We hosted events at lunchtime to show our Cook Islands culture and closed our week of celebrations with a Rotaianga event for families on Saturday. Overall our Cook Islands Students Association worked together to bring about a week of culture, language and celebrations. Te atua te aroa.

- Mr Upokoheu-Henry

Cook Islands

Māori Department

MATARIKI 2020

Matariki 2020 was celebrated throughout the kura.

Our students learnt Mahi Whai (string games), Māori hand games such as Hei Tama – Tu tama, Takatu and Hipitoito. We also had a Staff Professional Learning Development in which staff were able to learn about the importance of the names and meanings of each star in the Matariki Cluster.

These stars are Tipuanuku, Tipuarangi, Waiti, Waita, Waipunarangi, Ururangi, Pohutukawa, Hiwaiterangi, Matariki.

MAU RAKAU

Despite Covid-19, we are as a school looking forward to continuing with Mau Rakau into the year 20201. We

will have 2 of our students (Sylas Wilson Year 11 and Kasey Wehi Year 10) representing Māngere College achieving their Level 1 or 'Poutahi' in Mau Rakau 2020. It has been a challenging year for the 2 boys, however, they were able to learn the Kupu (words), Karakia (prayer or chants), Mahi Rakau (Taiaha movements) and Waewae Nuku (Footwork). A huge thanks to Chris Wiremu and Nga Pou Tuakana (Higher Level Seniors) for coordinating Mau Rakau this year.

KAPA HAKA

Kapa Haka has been a struggle this year. Because of the Level restrictions, we were not able to have mass gatherings or people from other bubbles to achieve what we wanted to, however at the start this year Matua Maehe, Whaea Jane Paul and Whaea Arihana had the opportunity to see how talented some of our MC students are. Our

range included vocals, action songs, haka, good memory with words and other fundamentals.

MĀORI LANGUAGE WEEK 2020

Māori Language week 2020 was filled with amazing opportunities for taura and Kaiako.

We had ARO music running workshops with our taura Māori, Māori music playing all week, Toi Manawa Pounamu workshop, Staff doing their pepeha and a department kaitiaki for PLD, year 9 Te Reo Māori students teaching the other year 9 students different things and the school wide Māori Moment where MC all contributed to the 1 Million people sharing in the Māori moment. Ka mau ra te wehi! We really did contribute to the theme, Kia kaha te reo Māori.

TALOFA LAVA AND WARM PACIFIC GREETINGS

First of all, we give all the glory and praise to our Heavenly Father who has guided us throughout this year. Unfortunately, because of the horrible pandemic of COVID 19, our yearly event at the ASB Polyfest was canceled. However, our Samoan Polyfest Group had the opportunity to perform in front of families and friends during the Fiafia Night that was held in the gym. Within that short amount of time that was given to us, we made some very memorable memories together as a family.

With Polyfest being cancelled, we received some very sad news that one of our greatest teachers was leaving Māngere College. Mr. Fesulu'ai has been working at this school for more than 4 years, and

though it was heartbreaking for us to see him leave, we couldn't have been happier to see that he is going to do bigger and greater things at the University of Auckland. Words are not enough to describe your hard work and dedication towards your gagana Samoa classes and to the school.

We were very fortunate that with the lockdown being at Level 1 during Samoan Language Week, we were able to celebrate our cultural activities in school. Special thanks to Carmel who was our MC for the week and her team. Also, thank you to every performer who was brave enough to take part in the interval and lunch time activities. We also had the opportunity to celebrate

Samoan language week with the teachers and staff members of Māngere College.

Another memorable time for us was when we had the privilege to perform at the Māngere East Festival at the Māngere East Library. We were so thankful to Joanne Latif our productions and media manager who got us involved in the festival and we were able to perform to get some extra credits.

Our theme this year is "Prepare yourself a gift for your travels". We believe that COVID 19 was a way for us to realize how important it is to always prepare for the future or what may happen next. Our motivation for you is that you prepare yourself today so you won't need to worry tomorrow. Set your goals now and work hard to achieve them. Thank you and God bless!

- Miraclerena Iuta & Herilla Salu

Tongan Department

“We welcome you to join us in Enriching Aoteroa through faith & prayer.” (Theme of Tonga Language Week 2020) Fakakoloa ‘o Aotearoa ‘aki ‘a e lotu mo’oni.

Māngere College’s Tonga Language week was a treat for both the eyes and soul. Every lunchtime activity was opened with a hymn & prayer by our Tongan teachers and students. Every day was packed with performances from all year levels, displaying the nature of the “Ulungaanga Faka-Tonga”.

It has been inspirational to watch our students showcase their passion for their culture through songs, dance, and even a traditional kava ceremony.

From colourful “teunga” customs to beautiful “faiva” traditional dances, our Tongan students brought us the real live Tongan experience. But this week could not have happened without the help of all our performers and Tongan students & staff. Thank you so much for enriching MC in your culture. To all our staff members who

stayed patient and understanding throughout the week “oku mau hounga ‘ia” we are truly grateful and appreciate your support for our students. To the students and staff who were the backbone of Tonga Language Week who held the foundation of every performance and off/on stage preparation – thank

you. A special shoutout to all our senior students who worked behind the scenes in preparation for Tonga Language Week. You have all played a big role in Tonga Language week 2020.

- Ms Bloomfield

Mathematics

With an excitingly different approach to the year, it was testing times for our students and department.

But being able to model attributes that we promote in our classrooms, we were able to problem-solve and try to deliver the curriculum as best we could given the disruptions caused by COVID. What was pleasing to see was the increased number of students using Education Perfect for Math, teachers upskilling in using online platforms to communicate and more importantly becoming more flexible and understanding of our students' needs.

As some normality came back into our year, the Math department was involved in Open Week where we got to share what we offer in terms of courses, support in Math and extra-curricular to our feeder schools Viscount, Sir Douglas Bader and Māngere Central.

Furthermore, to continue providing opportunities, we offered the level 1 MCAT exam to more of our Year 11 students, some of our Year 12 and Year 13 students attended the Pacific Academy study Ako sessions during term 3 holidays and we entered 4 junior teams into each of the South Auckland Mathematics Competition (SAMC) events. There were some pleasing results by both year 9 and year 10 teams and we were fortunate enough to host two of the four events and be cheered on by our peers and teachers.

An interesting year to say the least but some valuable learning experiences by both the department members and students. We would like to wish our 13VPM, 3MAT, 3MAS and 3MAC students all the best for their future endeavours (36° 57' 34.96" S 174° 47' 30.466" E).

- Katalina Ma

Mazbou Q with vocalists Caylis, Temaleti & D'nadcyn

MUSIC MENTORING 2020

This year our music students had the chance to be mentored by some of NZ's finest musicians.

These included Anonymouz (Music Producer, Beat Maker, Videographer) via the NZ Music Commission, Shelley Cocker (Founder & Producer, NZ Music Theatre Company) and Mazbou Q (Music producer, Musician, Rapper). Anonymouz mentored our senior music students in Songwriting and Composition, and offered them valuable insights into the NZ Music Industry, whilst Shelley worked with our talented female vocalists, focussing on stage craft and performance. Three of our vocalists also had the opportunity to workshop with Mazbou Q, where he analysed their performances and stage craft and helped them to gain confidence in their ability and potential. Many thanks to these music mentors for working with our students to help them achieve their goals.

Shelley with our vocalists

Anonymouz working with L1 Songwriting Students

NEW FOUND SOUND

16 MC Music students took on the New Found Sound Competition this year - our groups John & Tha Boys, Niu Sound, Dolce and Duet Una & Pypher.

New Found Sound is a competition for upcoming musicians, singers and bands. Regional heats kicked off in July throughout the Auckland and Hamilton regions. Our four groups headed to the South Heats at the Māngere Arts Centre on 13th July. After a fun night filled with many stand out music and dance performances, our groups came out on top - with John & Tha Boys and Niu Sound placing 1st equal in the Band category, and Una & Pypher placing 1st in the Duo category.

Fast forward to 1st August, when our finalists took to the stage in the Final at TAPAC in Western Springs, competing against the best of the best. They had the opportunity to perform to a packed crowd and enjoyed the camaraderie between all the groups backstage. John & Tha Boys, Niu Sound and Duo Una & Pypher all performed brilliantly, with

Our performers backstage at the South Heats

great feedback from the crowd and judges alike. The competition was stiff, with the winners decided by a mixture of audience vote and judges scores.

Congratulations to John & Tha Boys who placed 1st Runner Up in the most highly-contested

Band category, and to Niu Sound who gained the highest judges scores on the night. Outstanding results for all our performers who are to be commended for their professionalism, dedication and team spirit throughout the course of the competition.

THE PERFORMING ARTS

Showcase

LIGHTS, CAMERA, ACTION!

Our Performing Arts students were finally able to put their Showcase on, after two prior cancellations due to Covid. Held at our MC Auditorium over two nights, Monday 28th and Tuesday 29th September, our 2020 Showcase was a celebration of music, dance, drama and spoken word, all delivered by our talented performing artists.

Our Level 1 - 3 Dancers took to the stage with a variety of hip-hop, contemporary, Pasifika and fusion dance styles, while our music groups Duende, Dolce, Grace Notes, Niu Sound, and John & Tha Boys,

together with instrumentalists, performed a mix of pop and R&B arrangements that showcased their stellar vocals and rich harmonies.

More highlights included powerful

and passionate performances by our Spoken Word Crew, and vibrant drama pieces by our junior actors.

DRAMA AND SPOKEN WORD

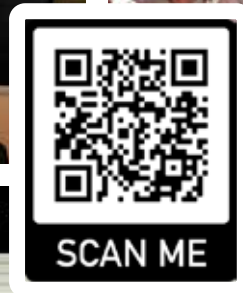

CURTAIN CALL & BEHIND THE SCENES

WE WILL RISE: MC SCHOOL SONG

Over the course of 7 weeks, a group of our music students had the opportunity to work with Kava Bowl Media on an original track and music video.

Working in the KBM studio with Producer, Malachi Samuelu, instrumentalists Ofa Ahomana and Tererei Samuel laid down instrumental tracks whilst vocalists Adyhana Urika Filifilia, D'nadcyn Matia, Pearl Taisi, Unaloto Leleifi, Johnathon Lemalu, Kaisa Faamausili, Cezanne Ratumu-Wharton, Faamanu Sanerivi recorded solo and harmony parts as they watched the layers start to form the song. The music video was shot in three stages, both at MC and on location close to Mangere Mountain with filmographer Dylan Crummer and director John Tapu. It was an incredible experience for everyone involved in the project; overcoming challenges, learning new skills and focus, and celebrating 'The MC Way' in the process. The support for the song has been immense - within the first weekend of its release, the song saw over 20,000 views, and hundreds of shares and positive feedback. Massive thanks to Kava Bowl Media for their work on this project and to our MC Family and Community for the support of the song.

HOMEGROWN TALENT: ALEX ANGAA'ELANGI

On 31st August, Year 13 Music student Alex Angaa'elangi aka Mizgf.C was featured on the Pacific Media Network's Radio 531 PI - 'E Tu Rise Up Youth Show'. This also livestreamed on Facebook. He talked about his musical inspirations, his work ethic and his artistic process and was able to offer words of encouragement to other aspiring beatmakers and music producers - "...never give up. If you are doing something and

you love doing it, don't stop the grind. You've gotta stay committed and follow your dreams, because in the end, it always pays off."

Soon after he was featured in another interview, live on radio with John Pulu. You can listen to Alex's music on Spotify, Instagram, Facebook, Tiktok, Google Play, iTunes and YouTube.

Physical Education Department

VECTOR WERO WHITEWATER PARK TRIP

Yesterday Level 1 and Level 2 Sports science classes went to the Vector Wero Whitewater Park. We learnt about river crossing, risk management and gained some safety skills. We got to jump in the river and float down the stream through grade 4 and 5 white water. We also got to paddle inflatable boats down the stream. It was very scary but fun. To finish we all went over the 7 meter drop in the inflatable raft.

All of the students were great and thanks to all our teachers and to Wero Whitewater Park for the experience.

- Jahriena Maybir

BIG DAY OUT

In February this year our Year 12 sports leaders ran the Big Day Out for the new Year 9 students. The Big Day Out is an all day activities day, designed to help the Year 9's get to know each other, their form teachers and have loads of fun.

A big shout out to our Year 12 sports leaders students who all planned and delivered the activities, it was a fantastic day.

- Mike Darragh

In the images above, students are doing titration to find the concentration of acid in white vinegar.

Then they compared their findings to see if the concentration claimed by the manufacturers is correct or not.

Social Science

Student Services

Our Student Services team aims to support the health and well-being of students at Māngere College so they can reach their academic and personal potential.

We are fortunate to have a counselling team of five, consisting of Teresa Elder and Paul Campbell along with three Placement Counsellors from tertiary institutions (Simaima Afemui, Nancy Robertson and Robertalyn Bristowe) to

provide a confidential environment, supporting mental well-being.

Our Community Liaison Officer & Mentor, Kiri Leniu and Social Worker, Tarsh Allan-Poko have formed strong connections with students and

whanau to support their well-being and engagement in school.

NURSING

What a year it has been! Our nursing team has been super flexible as we navigate our way through the different alert levels ensuring we kept staff and students safe throughout the Covid19 outbreaks.

We said goodbye to Roman in Term 3 as we welcomed back Erin from maternity leave. Roman will be missed. Our nursing team is now made up of Laura Williams, Erin Hunt and Hanneke Aish. We were also very proud to co-host an event

with Counties Manukau Health in Term 3 this year. We hosted the Hon. Julie Ann Genter who announced that the government is investing up to \$40 million for a year-long measles-catch-up campaign. It was a busy but wonderful morning

vaccinating students while TV cameras rolled. Our school sits at approximately 85% of students vaccinated against Measles, Mumps and Rubella. We look forward to our summer break and will be raring to go in 2021.

DIGITAL TECHNOLOGIES

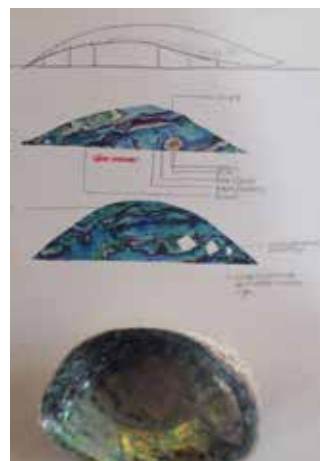

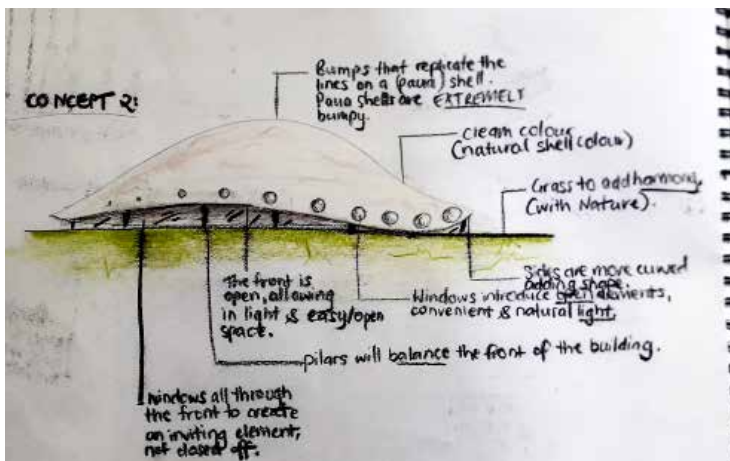

Here is a screenshot of a Year 11 Digital Technologies project. This was a game that was developed on Scratch about environmental concerns, in which players have to collect falling trash from the sky on school grounds for points.

THE RURU

A guardian is a person or spirit who protects us from ill-doing, whether physical, mental or spiritual. We have chosen the RURU as our guardian, as it is mythologically a guardian of the spiritual world.

We hope to represent the guardianship of RURU by making RURU-themed covid masks, showing how we can protect one another from viral pandemics.

SPECIAL BASKETBALL PHOTOSHOOT WITH AUCKLAND BALLERS

During Term 4, the Auckland Ballers ran a workshop with our U17 Girls and Boy's Basketball teams.

The crew that visited were a group of passionate basketballers who run an Instagram page called @aucklandballers and you'll find their website at www.aucklandballers.nz. From their website: 'Auckland Ballers organically evolved into a new media platform utilizing creative gifts to tell other peoples stories through film, photography, graphic design, and art.'

During the workshop, our MC Media students used the cameras to photograph and video our basketball teams and what you see here is all taken by Māngere College students.

To watch the video, scan the QR Code with an app on your phone.
All photographs were taken by Makeleta Alofaki 12SI.

Rugby

This year has been one to remember but not always for the desired reasons. Preparations were severely disrupted by the COVID pandemic and the two lock-downs came at crucial points in the season which had the overall effect of blocking our progress in the competitions into which we were entered. A reduced number of entries resulted in MC fielding only a boys' first fifteen (1st XV) and two girls' 10-a-side teams.

Standing (L-R): Apollonia Sofara, Kairangi Tekena, Meliame Funaki

Seated (L-R): Faye Keniseli, Norina Paulo, Sisilia Palenapa, Nise Lam, Asariah Fuamatu

GIRLS 10-A-SIDE

We started after the first lockdown ended but the real surprise was having more than 40 girls show up to our training sessions.

This was a feature of the girls' season and although the numbers dropped away over time, we still had sufficient numbers to send out two teams each Monday afternoon.

The A team started with a big win over Waitakere College. Captain Mele Lelenoa was a standout performer, as were Adyhana, Tame and Jas. We faltered a little after a

mid-week non-competition game against Otahuhu College when it was halted because of a serious injury to one of their players. The game was evenly poised at the time with no score. There was a huge crowd for this home game (and it continued for the whole season). Ironically, when we played OC in the competition rounds, the same result occurred when one of our girls sustained a severe head injury. That game was registered as a 0-0 draw and acted as another brake to our progress.

Losses to Avondale and Howick and a scheduled game against Tangaroa ended the season when the second

lockdown happened in August. Auckland didn't open early enough to complete the playoffs, so this is how we ended.

The B team was captained by Silia Palenapa. The most outstanding feature for this season was the wonderful team spirit carried throughout each week, with the numbers attending training sessions and games remaining consistently high. Being supportive of teammates carried them through tough results on-field and their determined effort was excellent. Comprising mostly juniors from Years 9 and 10, it bodes well for the future of girls' rugby at Māngere College. Many thanks to coaches Rob Hukatai and Fred Leniu for their ongoing support and instruction.

1ST XV BOYS RUGBY

Perhaps the best way to describe this season is that it was an amazing journey that took a group of unlinked individuals and led them from a state of uncertainty about what lay ahead to one of self-belief, increasing confidence and eventual success.

The first steps in this journey were made with the appointment of new coaches Bond Tagaloa and Sam (Oto) Tuia. Their experience coaching school and representative teams had an immediate effect on the group, starting out small and gradually growing into a formidable team.

Together with the support of team manager, Kiri Leniu and the sponsorship of the Leniu family, things were ripe to challenge and win the Auckland Schools Rugby 1C competition and compete for promotion to 1B in 2021. ... And then COVID-19 struck and put a hold on everything!

Upon return from lockdown, we restarted preparations for the 2020 promotion-relegation game with Avondale. These included early morning fitness sessions, afternoon team trainings and practices.

3rd row – Kaisa Faamausili, Malachi Karika-Lole, Folau Tongotongo, Mathew Aimasi, Harold Fuimaono.

2nd row – Jeremiah Falanaipupu, Sweetie Neria, Sanele Ioane, Lee Toluono, Mathew Tonga.

1st Row – Joe Saina, Vai Havea, Blessing Talapa, Nathan Taufahema, Daniel Esera, Gideon Faiane, Cezanne Ratumu-Wharton.

Absent – Tevita Aleluia, John Bureta, Patalione Filipine, Kalavite Fukofuka, Isaako Isaako, AJ Maselino, Faamanu Sanerivi, Jeffrey Taulanga, LB Tuaeu, Talia Vete, Ceasor

Pre-season games against a teachers & dads selection, Southern Cross Campus and Alfriston College followed. However, we learned some tough lessons in the loss to Avondale 13-17 and again the following weekend against Marcellin in the first round of 1C competition.

During the term 2 holidays, training sessions and a team outing to Laser Strike gave opportunities for team bonding that were capped with another loss to Mt Roskill Grammar in a non-competition match, and our first win of the season against 1B opponents, One Tree Hill College.

And then COVID did it again... Our return to school and hopes for a return to competition didn't eventuate due to Auckland's Level 3 & 2.5 lock-downs which effectively ended all rugby competitions in the city. With scheduled, but unplayed, games against lower placed schools Edgewater, Papatoetoe, Alfriston and Mt Albert Grammar C we were unable to improve on our 2nd placing on the table and because of the major disruptions in 2020, the rugby union decided there will be no promotion-relegation next year.

The team grew as a unit. Individuals emerged as leaders and tacticians on-field. Things were building very

nically as the various elements came together into the 'perfect storm' of coaches, management, players and families to produce success in 2020. Another constant feature of the season was the amount of support we had from parents and friends at away games and home fixtures. We hope that will continue in the future.

Off the field we became a focus point for Kava Bowl Media Sky TV series "Pacific Brothers and Sisters". The team featured in a weekly five minute segment titled "Real XV". The nation was introduced to team captains Nathan and LB, players Jeremiah, Daniel, Blessing, Faamanu, Vai and many others in the team. We got a lot of interest and support from viewers around the country including some from as far away as Wellington who wanted to buy tickets in the team raffle that also featured on the show. Another Palmerston North viewer offered to buy boots for the boys who revealed they didn't have boots that fit.

Throughout the season we had guest visits from Julian Savea and Danny Tusitala who helped with the coaching. La'auli Sir Michael Jones and Pita Alatini presented team jerseys at the pre-season dinner. Huge thanks go to Bond and Oto for

their work with the team and each boy individually. Thanks again to the Leniu Crew who sponsored the work and to all our parents and staff who supported us through the year. 2021 promises to be one where we build from a starting point of strength with the return of almost half the squad. Onwards and upwards from here... Keep your eyes on this team.

It was definitely a season to remember.

- Nathan Samu

'Huge thanks goes to Bond and Oto for their work with the team and each boy individually.'

Tag Football

Table Tennis

In 2020 we had an enthusiastic group of students participating weekly at lunchtimes.

Our 2020 Champion is Kwae Reh with runner-up Simone Panuve.

Volleyball

SENIOR BOYS VOLLEYBALL

The Senior Volleyball Boys A team started the season in term 1 strongly with wins over One Tree Hill, Tamaki College, Sir Edmond Hillary Collegiate and a close 3-2 set loss against De La Salle. The boys had many moments of success in all of their games in the Premier division at Auckland Champs but were challenged to convert that success into winning more games. Nonetheless, they are excited for next year's season as a rebuilding phase for the team with many promising juniors coming through into senior volleyball.

JUNIOR BOYS VOLLEYBALL

We have two Junior Boys Volleyball teams and both teams have competed in close games and have had some good wins. They have started to gel together and are working on their skills as a team. The Junior A Boys Volleyball team are excited to compete at Auckland Champs and are motivated to challenge themselves against higher-level teams.

JUNIOR A BOYS

MANGERE DEVELOPMENT

BELONG HERE

New homes for our community

Over the next 15 years, we're building 10,000 new quality homes here in Mangere so that more people can enjoy this diverse and vibrant neighbourhood, and live close to fantastic amenities and schools like Mangere College.

At the heart of the Mangere Development is the community. As new homes become available, we're helping Mangere locals put down roots and purchase one of these new warm, dry, healthy homes for themselves.

OLATHE TAUMIHAU
#bumplife 📌

APII TAVIONI
Life is short, smile while you still have teeth.

TYRONE TAVITA HALL
Hi I'm Tyrone

TEMERA TEINGOA
Was only seen once a week 🙄

CASSANDRA TERE
Some people only talk about you because they lost the PRIVILEGE to talk to you!

MAUI TEREAPII
Sometimes you have to go through darkness to get to the light.

SAPELA TIVAASUE
Disregard males, acquire currencies.

ROZLYN TIKINAU
Spell red...red?... uhl lster, red.

JOYCE TIOTALA
Four years at this school and I'm still an eye guy.

JASMARI TOHILIMA-FRANKLIN
When life shuts a door, open it back up. That's how doors work.
#RIKAHOOD

SITIVENI TONGOTONGO
Fake love don't run in my blood... only loyalty.
#sirensce

METUA TONITARA
Reality is wrong. Dreams are for real.

TEAVA TONITARA
Leaving high school doesnt mean leave everything behind but to be indepent and responsible.

BENJAMIN TUILAEPA
Don't compare your life to others. God has you exactly where you need to be. Life's not a race or competition.

OFA ULUNGA
Sorry Ms for eating your lunch. You're the best!

Front Row: Esther Siaki, Madina Salam Khel, Reupena Kilipati, Asena Panuve, Younis Ahmat Abdallah, Grace Ah Chong, Sylvia Fainganuku

Absent: Samuel Faasavalu, Rosemary Felauai, Joell Fuimaono, Isaako Isaako, Poe Myar, Siaosi Pohahau, Blessing Taituave Fuimaono, Savannah Vaifale

Māngere College Supporters

Māngere College continues to be very grateful to our local businesses and individuals who provide financial support to our students. This commitment helps Māngere College students achieve to their potential.

Financial support allows us to provide three groups of scholarships each year:

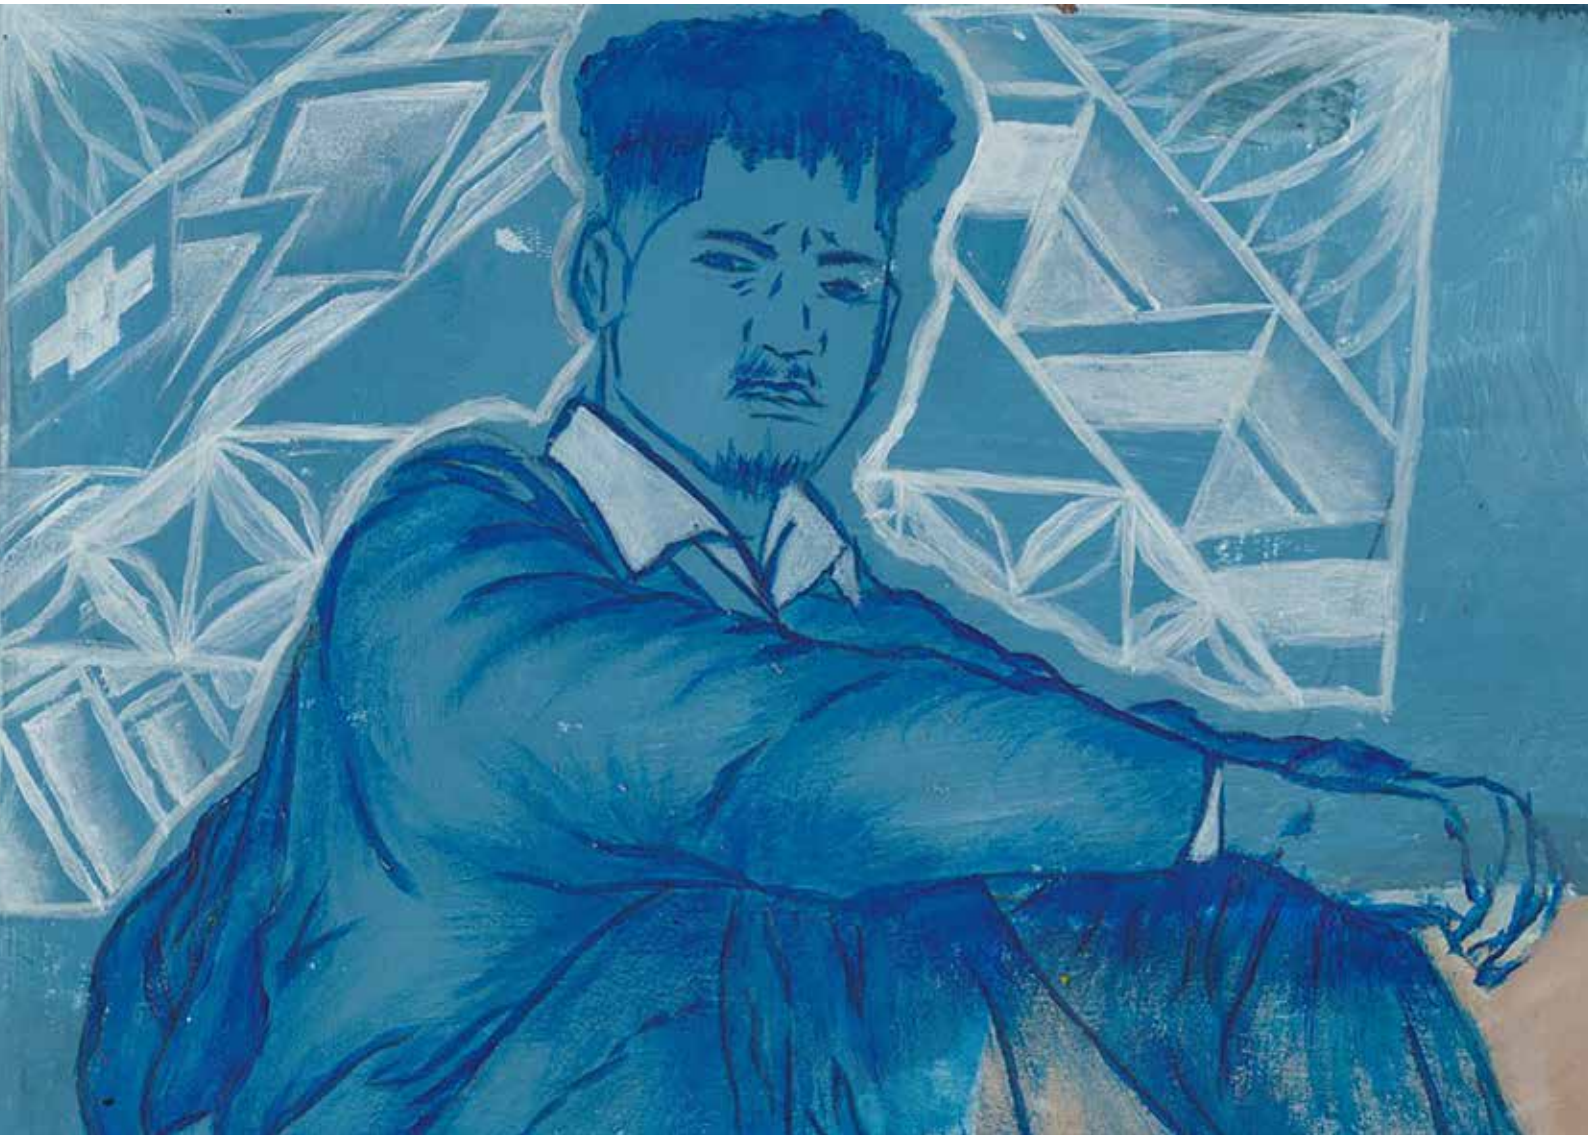

- The Māngere College Entrance Scholarships cover most of the costs associated with starting as a Year 9 student at Māngere College.
- The Māngere College Senior Scholarships are awarded to deserving Year 10 students. These are worth \$500 and are used by the recipients to cover the cost of uniform and other school costs over their senior years.
- Year 13 students can apply for the Māngere College Leavers' Scholarships. These awards are valued at up to \$1500 to assist students to meet the costs of tertiary study.

If you are interested in offering Māngere College any financial sponsorship which would further enhance our students' future pathways please don't hesitate to contact the school on enquiries@mangere.school.nz.
