## TERM 1 NEWSLETTER 2024

Kia ora, tālofa lava, mālō e lelei, kia orana, fakalofa lahi atu, namaste, as-salaam-alaikum and greetings.

This term has been filled with excitement, featuring numerous engaging activities and events. We take pride in our school's participation in this year's ASB Polyfest, an annual event that celebrates and nurtures our diverse cultures. With the anticipation of our new Principal joining us in Term 2, we encourage everyone to embrace the upcoming holidays, making time for relaxation and renewal before an invigorating new term begins.

# A word from the Acting Principal

As Acting Principal at the end of Term 1 at Māngere College I would like to share with you some of the highlights of the first term of 2024. We continue to become the school of choice for our community with a school roll now of over 800 students which is an increase of almost 100 students at the start of 2023.

We also began 2024 with a new Senior Leadership Team comprising of Mrs Ah Sam as Acting Principal, myself as Deputy Principal and 3 Assistant Principals, Mrs Tupua, Mr Darragh and Mr Euden who have worked very hard and collaboratively to ensure a smooth start to the year and that all challenges have been met. I'd like to acknowledge Mrs Ah Sam for her leadership at the college for the first 9 weeks of the term and wish her a full and speedy recovery from her current health issues. She remains in our thoughts and prayers during this time.

February 16th saw, only for the second time in recent years, our 'Māngere College Athletics Day' which was a great way to launch our Kāinga - House System competitions for 2024. The weather was kind, the participation was excellent and the competition was fierce but fun too. Congratulations to Rangimarie for winning for the second year running and for also being the champions of the Kāinga - House System for Term 1.

Another major highlight of the term was undoubtedly the ASB Polyfest, where our students performed exceptionally and represented our school with pride and cultural awareness. It was heart-warming to see the level of talent and dedication that our students brought to the different stages. Also, a huge thank you to the staff, supporters and whānau who prepared our students for competition.

Most recently we celebrated the success of some of our students who achieved excellent NCEA results last year with some students gaining Endorsement with Merit or Excellence. We are particularly proud of and congratulate our top students who achieved over 100 Excellence credits in 2023. A phenomenal achievement and one for all to aspire to.

We continue to use our SchoolBridge App as our way of awarding points to our students to enable them to gain recognition badges. This is also a useful tool for tracking academic achievement and attendance.

Finally, as Term 1 comes to an end the Māngere College Board has made the exciting appointment of our new principal to Māngere College, Mr Tuiletoa Tagaloa who comes from One Tree Hill College will officially begin his new role as Principal here at Māngere College on 20 May 2024 during Term 2. A huge Māngere College welcome to Mr Tuiletoa Tagaloa! I'd like to wish everyone a restful and rejuvenating end-of-term break and look forward to seeing you all refreshed for Term 2.

**Jonathan Hardy**  
Principal (Acting) of Māngere College

## NEW PRINCIPAL APPOINTMENT

We are thrilled to announce Geraint Tuiletoa Tagaloa as our new Principal, marking a new era of excellence for our school.

Mr Tuiletoa Tagaloa is joining us from his current role as Deputy Principal at One Tree Hill College.

His educational leadership, commitment to enhancing student success and passion for the strengthening of community ties will help to lay the foundation for an exciting future at Māngere College. As we welcome Mr

Tuiletoa Tagaloa, let us unite in support of his leadership and the fresh perspectives he offers. Mr Tuiletoa Tagaloa will officially begin his new role as Principal here at Māngere College on 20 May 2024 during Term 2.

# Haere Rā

**ALLAN BEAZLEY**  
Allan has been a Groundsman at our school for 11 years and has retired this term. We thank him for his service to MC for all these years. He was always so friendly and helpful out in the school grounds. We wish him well in his retirement.

**MARYAM AKHLAQI**  
Farewell to Maryam, she has been our Bilingual Tutor and Liaison Support Worker with our refugee and ESOL students since 2016. She was a warm and nurturing presence to our students.

**EMILY ALLEN**  
Emily was our Piano and Strings Itenerant tutor here at MC for 14 years. She always went the extra mile for our students. We thank Emily for her service to our school and students.

**IVAN MOSES**  
We farewell Mr Moses as he heads into retirement. Ivan joined our school last year as our Metal and Technology teacher.

**KRISTAL MONTROSE-ARNOLD**  
Kristal joined us last year as our Digital Technology Teacher. We wish her all the best for her future endeavours.

**HANNAH TERRACE**  
Hannah joined our nursing team at the end of 2023 and is moving on this term. We thank her for her time and wish her all the best.

**SINAI TOMINIKO**  
Sinai became a part of our nursing team in late 2023. We express our gratitude for his contributions and extend our best wishes for his future endeavors.

## MC ALUMNI SPOTLIGHT: Zahra Habbi

Congratulations to Zahra Habbi who graduated with Bachelor of Pharmacy with Honours. Zahra began Year 9 ESOL with Mr Fifita as a 16-year-old student with little English. She participated in many school activities, and with determination and hard work, she became Dux of Māngere College in 2019. Thanks to all teachers for your support, especially the Science department.

## SCHOLARS CLUB

Students are welcome to come along to the Scholars Club if they need any extra support with their learning. On every Tuesday and Thursday after school 3.30pm-5.00pm in the Library.

# Kāinga Update - TERM 1

During this term we had an amazing Athletics Day where all of our Kāinga competed in a range of activities including track, high jump, shot put and javelin throw and even some teacher races. Well done to all of our athletes for competing and congratulations to Rangimārie for winning Athletics Day two years in a row!

## Business is Awesome workshop

On Wednesday, February 21st, Year 13 students participated in a workshop at AUT Manukau organised by the Rotary Club. Aimed at empowering Pasifika students, the workshop focused on business management skills. Collaborating with peers

from various schools, students designed a product and simulated market scenarios for sales. Additionally, they had the opportunity to interact with successful business owners, gaining inspiration for their own entrepreneurial journeys.

## POLYFEST LEADERS CONFERENCE

A group of our Māngere College students attended Polyfest Leaders Conference, a two-day event in January at the University of Auckland South Campus. It was an opportunity to connect, engage, create friendships, have fun, and learn from each other. The students enjoyed listening to the inspiring motivational speakers and the cultural workshops. Well done to these students who took time out from their holidays to attend.

# Toko Hauora

The Toko Collaboration Charitable Trust kicked off in Term 1 with an exciting MC Vibes event on February 9th, aimed at fostering connections among the MC whanau and BOT through music, games, and casual conversation over a delightful sausage sizzle. Building upon this success, the Trust organized Hauora challenges for students in the hotspot during break 2 over a span of 5 weeks, along with challenges tailored for staff, focusing on the 5 Ways of Wellbeing: Give, Connect, Be Active, Keep Learning, and Take

Notice. Additionally, the Toko Trust extended its support to the MC Girls' Volleyball team's wellbeing through a tuakana teina programme and generously contributed \$3,360 towards covering their meals for the entire week they participated in the National Volleyball Championship Tournament in Palmerston North. Wrapping up Term 1 on a high note, the Trust hosted a dinner in the auditorium where parents were briefed on their Hauora challenges and the spirit of wellbeing was celebrated alongside the MC Whānau.

# TE AHI KAA: Kai that warms the soul

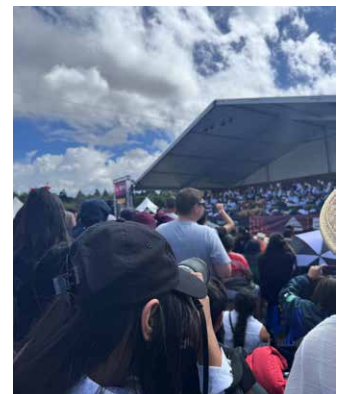

Achievement Centre students Kira, Sharnee and JoJo started a business enterprise called "TE AHI KAA - Kai that warms the soul" as part of their NCEA Business and Enterprise studies. These girls planned out what they wanted to sell, made an ingredients list, shopping list, designed a company logo, researched packaging, baked, packaged, advertised, promoted and rolled out a pop-up stall with limited sales of the Homemade Cookies as part of their business.

MC Media has been bustling with activity this term, capturing moments at Polyfest, Athletics Day, Excellence Assembly, and volleyball games. Stay updated with our student-run Instagram account: [@mangerecollege.media](https://www.instagram.com/mangerecollege.media)

# Counties Manukau Regional Debating

On February 24th, Manuia Fox-Romia competed at the Counties Manukau Regional Debating Tournament, where South Auckland schools vied for victory. Teaming up with Juan Koti from De la Salle College, they formed the only cross-school duo, competing as a two-person team. Despite this unconventional approach, they emerged victorious, winning all three rounds and both earning spots on the 2024 Manukau regional team. Manuia was announced best speaker in the tournament!

'Words cannot even begin to describe how grateful I am to have the privilege and opportunity to compete and represent my school at a regional competition, let alone at a national level. The experience in itself was such a fun and amazing ride but I think the thing I hold the gratitude towards would probably be how I can represent not only my school but also South Auckland in spaces where we don't see a lot of people from our community'.

## Siva Afi Workshop

This term we had Siva Afi Aotearoa, Masters of the Flame and Laied Drummers Core visit and mentor our students as part of the Siva Afi Festival that was held in Māngere. Thanks to CLM for connecting us.

## P-TECH Workshop

On Thursday, 22nd February our Year 11 Digital Technology had their first mentoring workshop. Joined by Onehunga High School, the students worked with mentors from well known IT companies: IBM, One New Zealand and ANZ. The room buzzed with an excited energy as mentors and mentees mingled, their conversations

revealing the beginnings of promising partnerships. The successful mentoring workshop had provided the foundation for these connections. Through interactive exercises and engaging discussions, participants got to know each other, explored and shared their values and priorities. The workshop was a great introduction for the students and their mentors. As the final activity wrapped up, participants left feeling empowered and motivated, eager to embark on their mentoring journeys and unlock their full potential.

# English Speakers of Other Languages (ESOL)

### EMPOWERING ESOL STUDENTS:

#### A TERM OF SUCCESS & CELEBRATION

Our ESOL department has had a whirlwind term, filled with enriching events inside and outside school. Here are some highlights of our recent activities that left our students excited and more confident.

### CELEBRATING PACIFIC CULTURE:

In Week 8, our ESOL and refugee students eagerly joined a Ukulele tutoring session at Māngere Bridge Library, embracing the vibrant Pacific culture. They quickly learned the basics and gained confidence in their new skills, demonstrating the power of experiential learning, culture, fostering growth and self-assurance.

### REFUGEE BIG DAY OUT:

#### A JOURNEY OF CONNECTION

Our refugee whānau had a fantastic "Refugee Big Day Out" at the Māngere Refugee Resettlement Centre on February 13. It was packed with icebreakers, team-building activities, and games, fostering connections among students. The day ended with a reflective discussion, providing valuable insights into life in New Zealand. Overall, it was a successful event, boosting students' confidence and leadership skills.

### EMPOWERYOUTH WORKSHOP:

#### IGNITING POTENTIAL

In Week 6, our ESOL students attended a workshop by EmpowerYouth, offering mentoring and vital academic/life skills. The response was immense, with many students eager for ongoing mentoring. This initiative empowered students, guiding them confidently in their academic and personal paths.

### CELEBRATING ACHIEVEMENTS:

Finally, we'd like to celebrate the achievements of our past students, inspiring us with their dedication and success.

**Eh Htaw Kue Wah:** Our dux is currently studying Visual Arts at AUT.

**HserKu Hser:** Proxime Accessit is pursuing Spatial and Interior Design at AUT.

**Roanna Wah:** Roanna is studying Criminology, Criminal Justice, and History at AUT.

**Nargis Hussaini:** Nargis is pursuing Architecture and Future Environments at AUT.

**Zahra Hussaini:** Zahra is studying Foundation Health Science at the University of Auckland.

**Aqila Rajah Ali and Zahra Nusrat:** Both are engaged in Academic Writing studies at MIT.

**Tawos Bashardost:** Tawos is undertaking Online Studies.

**Monday Ayak John:** Taking a gap year and working in Customer Service at McDonald's.

**Meh Reh:** Pursuing Pallet Making. As we reflect on the past term, we're grateful for the enriching experiences that have shaped our students' journeys. We eagerly anticipate continuing our mission of empowerment and celebration in the future terms, nurturing the potential and dreams of every student in our ESOL community.

## PERFORMING ARTS LEADERS FOR 2024

## CAREERS WHĀNAU EVENING

This year we wanted to do something a little different from our usual career expo. So, we held a whanau evening where we invited our MC school community. We were fortunate enough to have some great contacts in different professions

who came to share their experience in our panel discussion. We also invited our key universities and tertiary institutions to be available for our families to chat to. Overall, we found it to be very successful!

## PWC PACIFIC VILLAGE EVENT: CONNECT, INSPIRE AND ASPIRE!

Four year 13 students were selected to participate in an event run by a large corporation in the middle of the CBD.

The event invited many Schools across Auckland in the hopes to inspire students to work towards career goals in the corporate world. It

was great to see our M.C students' network with other students and corporate professionals!

## LINK ALLIANCE: YEAR 10 SITE VISIT

Link alliance allowed a group of our year 10 students to visit the CBD city rail site where they got see the

development/planning of the Britomart train station and meet managers on the floor!

Students were excited to see the engineering/architectural side of construction first-hand.

# Art Battle

AT THE MĀNGERE ARTS CENTRE

Hirihna Carlo entered the Māngere-Ōtāhuhu Art Battle alongside other high profile artists. Artists had 30 minutes to paint a picture! Here is what Hirihna had to say about her experience. "I had a great experience

painting at the Art Battle, though I must admit that I was a little nervous about seeing so many different artists and the fact that I had to paint in front of everyone. Truly, it was a first time for me. Nevertheless, as I stood in front of my canvas, I felt excited to paint! I really wanted to try something different and out of my comfort zone."

# Te Rangitaamiro Global Citizenship Youth Summit

[The Summit] made me feel more of a connection with my culture and it helped me a lot to realise what I should have realised about being Māori. I enjoyed it a lot, it was fun meeting

other people from other schools learning how different they do things. It also helped me connect with other Kapahaka groups besides my own.
